# Safety Instruction Guide for ARREDONDO DOCTER SIGHT ADAPTER FOR JPOINT EGW ADAPTER SIGHT MOUNT FOR VORTEX VIPER/VENOM

## Introduction

Thank you for choosing the ARREDONDO DOCTER SIGHT ADAPTER. This guide provides essential safety instructions and information for the proper use and installation of the adapter. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the adapter is compatible with your sight and firearm before installation.
- Always follow the manufacturer's instructions for both the adapter and the mounted sight.
- Regularly inspect the adapter for any signs of wear or damage.
- Store the adapter in a dry, cool place away from direct sunlight and moisture.
- Keep the adapter and all related components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use the adapter only for its intended purpose as specified by the manufacturer.
- Avoid using the adapter if it shows signs of damage, such as cracks or excessive wear.
- Do not modify the adapter or attempt to repair it unless authorized by the manufacturer.
- Ensure that all screws and attachments are securely fastened before use.
- When using the mounted sight, maintain a safe distance from others and follow all firearm safety protocols.
- If you notice any unusual behavior during use, stop immediately and inspect the adapter and sight.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools for installation, including a screwdriver and any specific tools recommended by the manufacturer.
- Ensure your firearm is unloaded and pointed in a safe direction.

### 2. Installation Steps

- Identify the mounting plate on your firearm that is compatible with the adapter.
- Align the adapter plate with the mounting holes on the firearm.
- Secure the adapter using the screws provided, ensuring they are tightened to the manufacturer's specifications.
- Attach the Vortex Viper/Venom, Burris Fastfire, or Docter sight to the adapter plate, following the sight manufacturer's instructions.
- Doublecheck that all connections are secure before proceeding.

### 3. Usage Guidelines

- Once installed, familiarize yourself with the sight's functions and adjustments.
- Always use the sight in accordance with safe firearm handling practices.
- Regularly check the stability of the adapter and sight during use to ensure safety.

## Disposal Instructions

- Dispose of the adapter in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the adapter in regular household waste.
- If unsure about disposal methods, consult your local waste management authority for guidance.

## Contact Information for Further Support

For any inquiries or support regarding the ARREDONDO DOCTER SIGHT ADAPTER, please reach out to the manufacturer's customer service or consult the retailer from whom the product was purchased. It is essential to have an EUbased contact for safety inquiries.

**Note:** This safety instruction guide is designed to assist you in the safe use of the ARREDONDO DOCTER SIGHT ADAPTER. Please adhere to all safety guidelines and recommendations provided herein.
