

# SPRINGFIELD 03A3, 03A4 SCOPE BASES - EGW SPRINGFIELD

## 03A3/03A4 1-PC UNDRILLED PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Springfield 03A3, 03A4 Heavy Duty Scope Bases. Add the versatility of a one-piece Picatinny scope rail. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Accepts Picatinny or Weaver scope rings. Heavy Duty mounts are .100" lower than the Lightweight mounts to minimize weight and keep your optic closer to the barrel centerline for improved accuracy. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid extruded 7075 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite.

# Safety Instruction Guide for EGW Springfield 03A3, 03A4 Scope Bases

## Introduction

Thank you for choosing the EGW Springfield 03A3, 03A4 Scope Bases. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the scope base is compatible with your firearm model (Springfield 03A3 or 03A4).
- Always handle firearms and accessories with care and follow all safety protocols.
- Store the scope base in a dry, cool place to prevent damage.
- Regularly inspect the scope base for signs of wear or damage before use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents related to the product to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the recommended tools for installation, including a socket head Torx® wrench.
- Ensure the torque applied to the screws does not exceed 20 inch lbs to avoid damage.
- Use blue Loctite on screws to secure them in place and prevent loosening during use.
- Avoid using the scope base if any part appears damaged or compromised.
- Do not exceed the weight limit of the scope base as specified in the product specifications.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a socket head Torx® wrench and blue Loctite.
- Ensure that the firearm is unloaded and pointed in a safe direction.

### 2. Installation

- Align the EGW Springfield 03A3, 03A4 Scope Base with the mounting holes on your firearm.
- Insert the screws into the mounting holes and tighten them using the socket head Torx® wrench.
- Apply a torque of 20 inch lbs to each screw for secure installation.
- Apply a small drop of blue Loctite to each screw before tightening to prevent loosening.

### 3. Usage

- Once installed, attach your Picatinny or Weaver scope rings to the scope base.
- Adjust the eye relief and scope position as needed for optimal viewing.
- Regularly check the tightness of the screws, especially after extensive use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and usage of the EGW Springfield 03A3, 03A4 Scope Bases, please refer to the manufacturer's contact details provided with the product packaging or visit the official website.

Thank you for your attention to these safety instructions. Your safety and the safe operation of your firearm are of utmost importance. Enjoy your shooting experience responsibly!
