

HOWA MINI ACTION HD PICATINNY SCOPE MOUNT - EGW HOWA MINI ACTION 1-PIECE PICATINNY BASE 0 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount comes standard with a bevel on both sides making it ambidextrous. EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. This mount is a Picatinny-style base and compatible with Picatinny or Weaver scope rings. EGW machines these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type III anodized for long lasting durability. Recommend: 0 MOA - if shooting 0-500 yards 20 MOA - if shooting 500-1000 yards When zeroing your rifle with a 20 MOA mount, EGW recommends zeroing at 200 yards. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

Attributes

- Name: [EGW HOWA MINI ACTION 1-PIECE PICATINNY BASE 0 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000769
- Mfr. No.: 81060

HOWA MINI ACTION HD PICATINNY SCOPE MOUNT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HOWA MINI ACTION HD Picatinny Scope Mount by EGW. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your scope mount. Please read this document carefully before installation and usage.

General Safety Guidelines

To ensure the safe use of the HOWA MINI ACTION HD Picatinny Scope Mount, please adhere to the following safety guidelines:

- Always follow local laws and regulations regarding firearm usage and accessories.
- Ensure that the mount is compatible with your firearm and scope before installation.
- Regularly inspect the mount for any signs of wear or damage.
- Store the mount in a dry and secure location when not in use.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- If you notice any abnormalities during use, stop immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

When using the HOWA MINI ACTION HD Picatinny Scope Mount, please observe these specific safety precautions:

- Ensure that your firearm is unloaded before installing or adjusting the scope mount.
- Use the recommended torque of 20 inch lbs when securing the mount.
- Apply a drip of blue Loctite to the screws for added security (Loctite sold separately).
- Do not exceed the recommended torque specifications to avoid damaging the mount or firearm.
- Use only Picatinny or Weaver scope rings that are compatible with the mount.
- Always doublecheck the stability of the mount and scope before heading out to shoot.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of your scope mount:

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a torque wrench and compatible scope rings.

2. Installation

- Measure the hole spacing in your receiver to confirm compatibility with the mount dimensions.
- Align the Picatinny mount on the receiver, ensuring it sits flat and secure.
- Insert the mounting screws through the mount into the receiver holes.
- Use the torque wrench to tighten the screws to 20 inch lbs. Be cautious not to overtighten.
- Apply a drip of blue Loctite to the screws for additional security.

3. Mounting the Scope

- Attach your scope rings to the Picatinny mount.
- Follow the manufacturer's instructions for mounting the scope onto the rings.

- Ensure that the scope is level and properly aligned for accurate shooting.

4. Final Checks

- Inspect the entire assembly to ensure everything is secure.
- Perform a function check of the firearm to ensure safe operation.

Disposal Instructions

When it comes time to dispose of the HOWA MINI ACTION HD Picatinny Scope Mount, please follow these guidelines:

- Dispose of the mount and packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it contains hazardous materials.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or further support related to the HOWA MINI ACTION HD Picatinny Scope Mount, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Please ensure that you keep this safety instruction guide for future reference. Thank you for your attention and safe shooting!
