

HOWA MINI ACTION HD PICATINNY SCOPE MOUNT - EGW HOWA MINI ACTION 1-PIECE PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount comes standard with a bevel on both sides making it ambidextrous. EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. EGW one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. This mount is a Picatinny-style base and compatible with Picatinny or Weaver scope rings. EGW machines these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type III anodized for long lasting durability. Recommend: 0 MOA - if shooting 0-500 yards 20 MOA - if shooting 500-1000 yards When zeroing your rifle with a 20 MOA mount, EGW recommends zeroing at 200 yards. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

Attributes

- Name: [EGW HOWA MINI ACTION 1-PIECE PICATINNY BASE 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000770
- Mfr. No.: 81062

HOWA MINI ACTION HD PICATINNY SCOPE MOUNT

Safety Instruction Guide

Introduction

Thank you for choosing the HOWA MINI ACTION HD PICATINNY SCOPE MOUNT. This guide provides you with essential safety instructions and information to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle and scope before using this mount.
- Always follow local laws and regulations regarding firearms and accessories.
- Inspect the mount and all components for damage before installation. Do not use if any parts are damaged.
- Keep this product out of reach of children and unauthorized users.
- Use the mount only for its intended purpose as specified in this guide.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the rifle is unloaded before installing or adjusting the mount.
- Use appropriate eye and ear protection when handling firearms.
- Be cautious of sharp edges on the mount during installation and handling.
- When zeroing your rifle, follow the recommended guidelines for distance and adjustments to ensure accuracy and safety.
- Do not exceed the recommended torque specifications during installation to avoid damage to the mount or the rifle.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and blue Loctite (sold separately).
- Ensure the rifle is unloaded and pointed in a safe direction.

2. Installation:

- Measure the hole spacing in your receiver to confirm compatibility with the mount's dimensions.
- Align the mount on the receiver, ensuring the Picatinny cross slots are facing up.
- Insert the mounting screws through the mount into the receiver holes.
- Tighten the screws to a torque of 20 inch lbs using a torque wrench.
- Apply a drip of blue Loctite to the screws for added security.

3. Usage:

- Mount your scope rings securely onto the Picatinny rail.
- Follow the manufacturer's instructions for the scope to secure it properly.
- When zeroing your rifle, it is recommended to do so at 200 yards if using a 20 MOA mount.
- Regularly check the mount and scope for tightness and alignment before each use.

Disposal Instructions

- Dispose of this product in accordance with local regulations.
- Do not dispose of the mount in household waste. Instead, take it to a designated recycling or waste disposal facility.

Contact Information for Further Support

For any safety inquiries or concerns regarding the HOWA MINI ACTION HD PICATINNY SCOPE MOUNT, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Enjoy your shooting experience safely and responsibly!
