# ACCUCAM Mount with Integral 30mm Rings Safety Instructions

## Introduction

Thank you for choosing the ACCUCAM Mount with Integral 30mm Rings by GG&G. This product is designed to provide a secure and reliable mounting solution for your scope on the AR15 weapon platform. To ensure your safety and the safe use of this product, please read and follow the safety guidelines and instructions provided in this manual.

## General Safety Guidelines

- Always ensure that the ACCUCAM Mount and scope are securely attached before use.
- Regularly inspect the mount and rings for any signs of wear or damage.
- Do not exceed the manufacturer's recommended weight limit for mounted accessories.
- Avoid using the mount in adverse weather conditions without proper protection.
- Keep the mount and all accessories out of reach of children and unauthorized users.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the mount.
- Use caution when handling tools and equipment during installation to prevent injury.
- Verify that the scope is properly aligned and secured to prevent movement during use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools, including a 3/16" Allen wrench for installation.

### 2. Installation Steps

- Locate the mounting points on the top of the AR15 receiver.
- Align the ACCUCAM Mount with the mounting holes.
- Insert the provided Allen head clamping screws through the mount and into the receiver.
- Tighten each screw evenly using the Allen wrench to ensure a secure fit.
- Attach the scope to the mount, ensuring that the scope rings are properly seated.
- Tighten the scope ring screws securely but avoid overtightening to prevent damage.

### 3. Usage Guidelines

- Before firing, doublecheck that the scope is securely mounted and that all screws are tightened.
- After installation, test the firearm in a safe environment to ensure proper function.
- Regularly check the mount and scope for any movement or loosening during use.

## Disposal Instructions

- Dispose of the ACCUCAM Mount and any packaging materials in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it contains any hazardous materials.

- Consider recycling components where applicable.

## Contact Information for Further Support

For any inquiries or support regarding the ACCUCAM Mount with Integral 30mm Rings, please refer to the manufacturer's website or contact their customer service for assistance.

## Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the ACCUCAM Mount with Integral 30mm Rings. Your safety is our priority, and we appreciate your cooperation in adhering to these guidelines.
