Safety Instruction Guide for BROWNELLS 90° SCRIBE

Introduction

Thank you for purchasing the BROWNELLS 90° SCRIBE. This tool is designed to assist you in reaching down inside frame recesses to maneuver smaller parts and springs. To ensure safe and effective use of this product, please read the following safety instructions carefully.

General Safety Guidelines

- Always ensure that the work area is clean and free from distractions before using the 90° SCRIBE.
- Keep the tool out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the tool for any damage or wear before each use. Do not use if damaged.
- Use the tool only for its intended purpose as outlined in this guide.
- Follow all local regulations and guidelines when disposing of the tool or its components.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety goggles and gloves, to protect against potential injuries.
- Avoid applying excessive force when using the 90° SCRIBE to prevent injury or damage to the tool.
- Keep hands and fingers clear of the working area to avoid pinching or cuts.
- Do not use the tool on live electrical circuits or in hazardous environments.
- Store the tool in a safe place when not in use, ensuring it is secured and not in a position to fall or cause injury.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean, welllit workspace.
- Gather all necessary materials and tools.

2. Using the 90° SCRIBE

- Hold the tool by the aluminum body, ensuring a firm grip.
- Carefully insert the hardened steel tip into the frame recess where you need to maneuver parts or springs.
- Use gentle, controlled movements to guide the tool as needed.
- If resistance is felt, stop and reassess the situation to avoid damaging the tool or the workpiece.

3. PostUse Care

- After use, clean the tool to remove any debris or residue.
- Store the tool in a dry place to prevent rust or damage.

Disposal Instructions

- Dispose of the tool in accordance with local regulations for metal and aluminum products.
- If the tool is damaged beyond use, ensure it is disposed of in a manner that prevents potential harm to others.

Contact Information for Further Support

For any questions or concerns regarding the BROWNELLS 90° SCRIBE, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details handy when reaching out for assistance.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
