

MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 BLACK SMALL 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cock pit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

MAGPUL® FLIGHT GLOVE 2.0 Safety Instructions

Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides essential safety instructions to ensure the safe use and maintenance of your gloves. By following these guidelines, you can maximize the protective features of the gloves while minimizing risks.

General Safety Guidelines

- Ensure that the gloves are suitable for your intended use and environment.
- Always inspect the gloves for any signs of damage or wear before each use.
- Keep the gloves clean and dry to maintain their effectiveness and longevity.
- Store the gloves in a cool, dry place away from direct sunlight and extreme temperatures.
- Be aware of your surroundings and avoid using gloves near open flames or hazardous materials.

Specific Safety Precautions for Use

- The gloves are designed for high dexterity tasks. Avoid using them for activities that require excessive force or impact.
- Do not use the gloves if you have known allergies to Nomex, Kevlar, or goatskin leather.
- Avoid exposing the gloves to sharp objects that may puncture or tear the material.
- When using the gloves for tasks involving heat, ensure that the gloves are appropriate for the temperature levels you will encounter.
- Always follow the manufacturer's instructions for specific tasks, especially when using tools or equipment.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, adjusting the fit around your fingers and wrists for comfort.
- Make sure the gloves fit snugly but do not restrict circulation.

2. Using Touchscreen Capability:

- The gloves feature ambidextrous threefinger touchscreen capability.
- To use touchscreen devices, simply touch the screen with the designated fingers while wearing the gloves.

3. Maintenance:

- Clean the gloves with a damp cloth to remove dirt and debris.
- Do not machine wash or tumble dry the gloves, as this may damage the materials.
- Allow the gloves to air dry completely before storing them.

Disposal Instructions

- When the gloves are no longer usable, dispose of them responsibly.
- Check local regulations for proper disposal methods, especially for materials like Nomex and Kevlar.
- Do not incinerate the gloves, as this may release harmful substances.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MAGPUL® FLIGHT GLOVE 2.0, please refer to the manufacturer's contact information provided on the packaging or official website.

Conclusion

By following these safety instructions, you can ensure that your MAGPUL® FLIGHT GLOVE 2.0 provides the protection and performance you expect. Always prioritize safety and stay informed about best practices for glove use and maintenance. Thank you for your attention to these important guidelines.
