

# MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 BLACK MEDIUM 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cock pit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

# MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

## Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This safety instruction guide provides essential information for the safe use and care of your gloves. By following these guidelines, you can ensure optimal performance and safety while using the product.

## General Safety Guidelines

- Ensure that the gloves are suitable for the intended task before use.
- Inspect the gloves for any damage or wear before each use.
- Keep the gloves away from open flames and hightemperature sources.
- Do not use the gloves in environments where they may be exposed to hazardous chemicals unless specified.
- Always follow the manufacturer's instructions for use and care.
- If you experience any discomfort or allergic reaction while using the gloves, discontinue use immediately and consult a medical professional.

## Specific Safety Precautions for Use

- The MAGPUL® FLIGHT GLOVE 2.0 is designed for high dexterity tasks. Ensure that you are familiar with the tasks you will perform while wearing the gloves.
- Avoid using the gloves in situations that may expose them to sharp objects that could penetrate the material.
- The gloves feature ambidextrous threefinger touchscreen capability; however, ensure that your device is compatible before use.
- When welding or working on engines, ensure that the gloves are properly fitted to avoid snagging or entrapment.
- Keep the gloves clean and free from any substances that may degrade the material or compromise safety.

## Instructions for Installation and Usage

### 1. Fitting the Gloves:

- Select the correct size (Medium) for a proper fit. The gloves should fit snugly but allow for comfortable movement.
- Slip your hands into the gloves, ensuring that the fingers are fully extended into the fingertips.

### 2. Using the Touchscreen Feature:

- To use the touchscreen capability, ensure that the threefinger section is clean and free from debris.
- Gently tap or swipe the screen with the designated fingers for optimal responsiveness.

### 3. Care and Maintenance:

- Clean the gloves with a damp cloth to remove dirt and debris.
- Allow the gloves to air dry completely before storage.
- Do not machine wash or tumble dry the gloves, as this may damage the materials.

#### **4. Storage:**

- Store the gloves in a cool, dry place away from direct sunlight.
- Use the clip strap loops for easy storage and transport.

## **Disposal Instructions**

- Dispose of the gloves responsibly, following local regulations for textile waste.
- If the gloves are damaged beyond repair, ensure they are disposed of in a manner that prevents environmental harm.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate local authorities or consult the EU's Safety Gate platform for updates on product recalls and safety alerts.

By adhering to these guidelines, you can safely enjoy the benefits of your MAGPUL® FLIGHT GLOVE 2.0. Thank you for your attention to safety.
