

MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 BLACK XL1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cock pit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides essential safety instructions to ensure the safe and effective use of your gloves. Please read this guide carefully before using the product to understand how to protect yourself and maintain the gloves properly.

General Safety Guidelines

- **Product Safety:** The MAGPUL® FLIGHT GLOVE 2.0 is designed to ensure safe use during various tasks, including aviation and high dexterity activities. Always inspect the gloves before use for any signs of damage.
- **Enhanced Recalls:** Stay informed about any recalls. In the event of a recall, you will be provided with clear instructions on how to return the product.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements similar to those found in physical stores.
- **Special Consumer Focus:** These gloves are designed for adult use. Keep them out of reach of children to prevent any accidental use or injury.
- **EU Contact Point:** For safety inquiries, please refer to the product packaging or the retailer for information.
- **Rapid Alerts:** Keep up to date with any safety alerts regarding the MAGPUL® FLIGHT GLOVE 2.0 through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid contact with sharp objects:** The gloves are made for protection but are not punctureproof. Avoid using them in situations where sharp objects may cause injury.
- **Check for proper fit:** Ensure that the gloves fit snugly but comfortably. A proper fit enhances dexterity and reduces the risk of accidents.
- **Limit exposure to extreme heat:** While the gloves offer some flame resistance, they should not be exposed to extreme heat sources for prolonged periods.
- **Use in appropriate environments:** These gloves are suitable for aviation and high dexterity tasks. Avoid using them in environments that may expose them to hazardous chemicals or substances.
- **Inspect before each use:** Check for any signs of wear, tear, or damage. If any defects are found, do not use the gloves.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hands into the gloves, ensuring your fingers fit properly in each finger compartment.
- Adjust the gauntlet coverage to ensure it extends past your wrist for maximum protection.

2. Using Touchscreen Features:

- The gloves have ambidextrous threefinger touchscreen capability. Use the designated fingers to operate touchscreen devices without removing the gloves.

3. Care and Maintenance:

- Clean the gloves regularly with a damp cloth to remove dirt and debris.
- Do not machine wash or dry the gloves, as this may damage the materials.
- Store the gloves in a cool, dry place away from direct sunlight when not in use.

Disposal Instructions

- **EndofLife Disposal:** When the gloves are no longer usable, dispose of them in accordance with local regulations. Consider recycling options if available, as the materials may be recyclable.

Contact Information for Further Support

For any questions or concerns regarding the MAGPUL® FLIGHT GLOVE 2.0, please refer to the retailer or manufacturer's website for contact details and additional support.

By following these safety instructions, you can ensure a safe and effective experience with your MAGPUL® FLIGHT GLOVE 2.0. Thank you for your attention to safety!
