

# **MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 2XL BLACK 1-PAIR**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cockpit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

# Safety Instruction Guide for MAGPUL® FLIGHT GLOVE 2.0

## Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides essential safety instructions to ensure the safe and effective use of these gloves. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure the gloves are suitable for the intended use.
- Inspect the gloves for any signs of damage or wear before each use.
- Keep the gloves away from open flames and high heat sources.
- Do not use the gloves in environments where they may become entangled in machinery.
- Avoid using the gloves for tasks that require high levels of dexterity if the gloves are too tight or illfitting.
- Store the gloves in a cool, dry place away from direct sunlight.

## Specific Safety Precautions for Use

- Flashresistant Nomex and Kevlar back of hand offers protection against flames and static electricity.
- The durable goatskin leather palm provides a good grip but may not be cutresistant. Exercise caution when handling sharp objects.
- The ambidextrous threefinger touchscreen capability allows the use of touchscreen devices without removing the gloves. Ensure the gloves fit properly for optimal functionality.
- Gauntlet coverage extends past the wrist. Make sure the gloves are securely fastened to prevent slipping during use.
- The gloves are designed for high dexterity tasks. However, they may not provide complete protection against all hazards. Always assess the risks of the task at hand.

## Instructions for Installation and Usage

### 1. Fitting the Gloves:

- Choose the correct size (2XL for this model) to ensure a snug fit without being restrictive.
- Slide your hands into the gloves, ensuring that the fingers fit comfortably in each compartment.

### 2. Using Touchscreen Devices:

- To use touchscreen devices, simply tap or swipe the screen with the threefinger area of the glove.
- Ensure the gloves are clean to maintain proper touchscreen functionality.

### 3. Wearing the Gloves:

- Adjust the gauntlet coverage to fit securely around your wrist.
- Ensure that the gloves are not too tight, which may impede circulation.

### 4. After Use:

- Remove the gloves carefully to avoid tearing.
- Inspect the gloves for any signs of damage after use.

## **Disposal Instructions**

- Dispose of the gloves in accordance with local regulations.
- If the gloves are damaged or no longer usable, consider recycling materials if possible.
- Do not dispose of the gloves in regular household waste if they contain hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or product recalls, please refer to the appropriate EU contact points or customer service resources available in your region.

## **Conclusion**

Following these safety instructions will help ensure that you use the MAGPUL® FLIGHT GLOVE 2.0 safely and effectively. Always prioritize safety and stay informed about best practices for using protective gear. Thank you for your attention to these guidelines.
