

MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 COYOTE MEDIUM 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cock pit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

MAGPUL® FLIGHT GLOVE 2.0 Safety Instructions

Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides important safety information and usage instructions to help you use your gloves safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- Product Safety:
 - Ensure safe use of the MAGPUL® FLIGHT GLOVE 2.0 by following all instructions provided.
 - Be aware of risks associated with the use of gloves in various environments.
- Enhanced Recalls:
 - Stay informed about any recall notices related to your gloves. Follow instructions provided in recall notices if applicable.
- Online Shopping:
 - Ensure that you purchase your gloves from authorized retailers to guarantee product safety.
- Special Consumer Focus:
 - Keep gloves out of reach of children. These gloves are designed for adult use only.
- EU Contact Point:
 - For any safety inquiries, please refer to the provided contact information from your retailer or manufacturer.
- Rapid Alerts:
 - Regularly check the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- Always inspect the gloves before use for any signs of damage or wear. Do not use if damaged.
- Ensure that the gloves fit properly to maintain dexterity and control.
- Use gloves only for their intended purpose, such as high dexterity tasks, welding, or working on engines.
- Avoid exposing the gloves to extreme heat sources, as this may compromise their protective features.
- Do not use gloves if you are allergic to any materials used in their construction, such as Nomex or Kevlar.
- Wash gloves according to the care instructions to maintain their performance and longevity.

Instructions for Installation and Usage

- Before wearing the gloves, ensure your hands are clean and dry.
- Slip your hands into the gloves, ensuring a snug fit without excessive tightness.
- Check that the fingers align properly with your own fingers for optimal control.
- For touchscreen use, ensure the threefinger touchscreen capability is functioning by testing on a device.
- After use, remove gloves carefully to avoid tearing or damaging them.

Disposal Instructions

- Dispose of gloves in accordance with local regulations regarding textile waste.
- If the gloves are damaged beyond repair, consider recycling them if possible, or dispose of them in general waste.

Contact Information for Further Support

For any questions or concerns regarding the MAGPUL® FLIGHT GLOVE 2.0, please refer to the contact details provided by your retailer or manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with your MAGPUL® FLIGHT GLOVE 2.0. Thank you for your attention to safety!
