

MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 COYOTE LARGE 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cock pit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides important safety instructions and information to ensure the safe and effective use of your gloves. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the gloves fit properly to provide maximum protection and dexterity.
- Always inspect the gloves for any signs of damage before use.
- Use the gloves in accordance with the intended purpose as specified in this guide.
- Keep the gloves away from extreme heat sources and open flames.
- Store the gloves in a cool, dry place when not in use.
- Be mindful of the environment when using the gloves, particularly in hazardous conditions.

Specific Safety Precautions for Use

- The MAGPUL® FLIGHT GLOVE 2.0 is designed for high dexterity tasks. Ensure that you maintain focus and awareness of your surroundings while using them.
- Avoid using the gloves in situations where they may become entangled in machinery or equipment.
- Do not use the gloves when handling sharp objects that could puncture or damage the material.
- If the gloves become contaminated with hazardous substances, remove them immediately and wash your hands thoroughly.
- For individuals with sensitive skin, perform a patch test before extended use of the gloves.

Instructions for Installation and Usage

1. Fitting the Gloves:

- Ensure that the gloves fit snugly but comfortably. They should feel like a second skin without restricting movement.
- Adjust the gauntlet coverage to ensure it extends past the wrist for added protection.

2. Using Touchscreen Capability:

- The gloves feature ambidextrous threefinger touchscreen capability. Test the touchscreen functionality before engaging in critical tasks.

3. Care and Maintenance:

- Clean the gloves by wiping them with a damp cloth. Do not machine wash or tumble dry.
- Inspect the gloves regularly for wear and tear, especially on the palm and finger areas.

4. Storage:

- After use, store the gloves in a dry, cool place. Use the clip strap loops for easy storage and transport.

Disposal Instructions

- Dispose of the gloves in accordance with local regulations. If the gloves are damaged or no longer usable, they should be discarded responsibly.
- Do not incinerate the gloves as they may release harmful substances.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Conclusion

By following these safety guidelines, you can ensure the effective use of your MAGPUL® FLIGHT GLOVE 2.0 while minimizing risks. Always prioritize safety and stay informed about product recalls and updates through the EU's Safety Gate platform. Thank you for your attention to these important safety instructions.
