

# **MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 COYOTE XL 1-PAIR**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cockpit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

## **Attributes**

# MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

## Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides essential safety information to ensure the safe use of your gloves. Please read this document carefully before use to understand the safety precautions and proper usage instructions.

## General Safety Guidelines

- **Product Safety:** The MAGPUL® FLIGHT GLOVE 2.0 is designed to meet safety standards for nonfood products. Ensure that you follow the guidelines to mitigate any risks associated with its use.
- **Enhanced Recalls:** In the event of any safety concerns, recall notices will be issued, and remedies will be provided free of charge.
- **Online Shopping:** The gloves purchased online have the same safety protections as those bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please ensure you have access to the relevant EU contact information.
- **Rapid Alerts:** Stay informed about product safety by checking the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The gloves provide protection against heat, flames, and static electricity. However, they are not fireproof.
  - Avoid exposure to extreme heat or open flames beyond their protective limits.
- **Avoiding Hazards:**
  - Do not use the gloves if they are damaged or show signs of wear.
  - Ensure that the gloves fit properly to maintain dexterity and control.
  - Keep the gloves away from sharp objects to prevent punctures or cuts.
- **Age Specific Warnings:**
  - These gloves are designed for adult use. Keep out of reach of children to prevent accidents.

## Instructions for Installation and Usage

- **Fitting the Gloves:**
  - Ensure that the gloves fit snugly, like a second skin, for optimal dexterity and protection.
- **Touchscreen Capability:**
  - The gloves feature ambidextrous threefinger touchscreen capability. Use the designated fingers to operate touchscreen devices.
- **Usage Scenarios:**
  - Ideal for use in high dexterity tasks such as welding, engine work, or in the cockpit.
- **Maintenance:**
  - Clean the gloves with a damp cloth. Do not machine wash or dry clean.
  - Inspect the gloves regularly for any signs of wear or damage.

## Disposal Instructions

- **Disposal of Gloves:**
  - When the gloves are no longer usable, dispose of them in accordance with local waste disposal regulations.
- **Recycling:**
  - Check with local recycling programs to see if the materials can be recycled.

## Contact Information for Further Support

For any questions or concerns regarding the MAGPUL® FLIGHT GLOVE 2.0, please refer to the product packaging for the appropriate contact information.

Thank you for your attention to these safety instructions. Enjoy your MAGPUL® FLIGHT GLOVE 2.0 and stay safe!
