

# **MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 SAGE GREEN MEDIUM 1-PAIR**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cockpit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

# MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

## Introduction

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides essential safety information to help you use this product effectively and safely. Please read this guide carefully before using the gloves to ensure optimal performance and safety.

## General Safety Guidelines

- Ensure safe use of the MAGPUL® FLIGHT GLOVE 2.0 by following all instructions outlined in this guide.
- This product is designed for high dexterity tasks and offers protection. However, it does not guarantee complete safety against all hazards.
- Always check for visible damage before use. Do not use the gloves if they are damaged.
- Keep the gloves away from extreme heat sources, flames, and sharp objects to avoid potential hazards.
- The gloves are not suitable for children under the age of 14 without adult supervision.
- If you experience any discomfort or irritation while using the gloves, discontinue use immediately.

## Specific Safety Precautions for Use

- Always ensure that the gloves fit properly. A proper fit enhances dexterity and safety.
- The gloves are ambidextrous and designed for touchscreen capability; ensure that you are using the correct fingers for touchscreen operation.
- Avoid using the gloves in environments with high-temperature exposure beyond the gloves' rated specifications.
- Do not use the gloves for tasks that require cut or puncture resistance beyond their design limits.
- Be cautious when using the gloves in wet conditions, as they may affect grip and dexterity.
- Always follow the manufacturer's instructions regarding the care and maintenance of the gloves to ensure longevity and safety.

## Instructions for Installation and Usage

### 1. Fitting the Gloves:

- Choose the correct size (Medium) for a snug yet comfortable fit.
- Slip your hands into the gloves, ensuring that fingers are fully inserted and the gloves sit comfortably at the wrist.

### 2. Using Touchscreen Capability:

- Use the designated three-finger touchscreen area for operating devices.
- Ensure the touchscreen area is clean for optimal responsiveness.

### 3. Care and Maintenance:

- Clean the gloves with a damp cloth to remove dirt and debris.
- Allow the gloves to air dry completely before storage. Do not use heat sources to dry them.
- Store the gloves in a cool, dry place away from direct sunlight.

### 4. Disposal Instructions:

- When the gloves reach the end of their life cycle or are damaged beyond repair, dispose of them in

- accordance with local regulations.
- Avoid disposing of the gloves in a manner that could pose a risk to the environment.

## Contact Information for Further Support

For any inquiries regarding product safety, usage, or to report unsafe conditions, please reach out to the designated contact point for MAGPUL® products in your region. Ensure you have the product details available for efficient assistance.

By following these safety guidelines and instructions, you can ensure a safer and more effective experience with your MAGPUL® FLIGHT GLOVE 2.0. Thank you for your attention to safety, and enjoy your product responsibly!
