

# **MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 SAGE GREEN XL 1-PAIR**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cockpit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

# **MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide**

## **Introduction**

Thank you for choosing the MAGPUL® FLIGHT GLOVE 2.0. This guide provides important safety information and instructions to ensure the safe and effective use of the gloves. Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure the gloves fit properly for optimal protection and dexterity.
- Always inspect the gloves for any signs of damage or wear before use.
- Do not use the gloves in situations where they may be exposed to hazardous chemicals or extreme temperatures beyond their specified limits.
- Keep the gloves away from sharp objects to prevent punctures and tears.
- If the gloves become contaminated with hazardous materials, dispose of them appropriately and do not attempt to clean them for reuse.
- Always follow the manufacturer's recommendations for use and care.

## **Specific Safety Precautions for Use**

- The gloves are designed for high dexterity tasks. Ensure you are comfortable and familiar with the tasks you intend to perform while wearing them.
- Avoid using the gloves for tasks that require direct contact with flames or hot surfaces, as they provide limited thermal protection.
- Be cautious when using the touchscreen capability, as the gloves may not be suitable for all touchscreen devices.
- If you experience any discomfort or irritation while wearing the gloves, discontinue use immediately and consult a medical professional if necessary.
- These gloves are not designed for use by children. Keep them out of reach of children to prevent accidental use.

## **Instructions for Installation and Usage**

- Before wearing the gloves, ensure your hands are clean and dry.
- Slide your hands into the gloves, ensuring a snug fit without excessive tightness.
- Adjust the gauntlet coverage to ensure it extends past your wrist for optimal protection.
- For touchscreen use, ensure the threefinger capability aligns with the device you are using.
- After use, remove the gloves carefully to avoid pulling or tearing.
- Store the gloves in a cool, dry place away from direct sunlight and extreme temperatures.

## **Disposal Instructions**

- Dispose of the gloves in accordance with local waste management regulations.
- If the gloves are damaged or contaminated, treat them as hazardous waste and follow appropriate disposal procedures.
- Do not incinerate the gloves as this may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAGPUL® FLIGHT GLOVE 2.0, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy the superior protection and performance of your MAGPUL® FLIGHT GLOVE 2.0.
