

MAGPUL® FLIGHT GLOVE 2.0 - MAGPUL FLIGHT GLOVE 2.0 2XL OLIVE 1-PAIR

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Building on the advancements our Magpul Flight Glove made to traditional Nomex® flight gloves worn by military aviators since the 1960s, the Magpul Flight Glove 2.0 adds an updated fit and modern materials to create a superior tactile and protective solution to a “government issue” solution. Fitting like a second skin, the Flight Glove 2.0 includes ambidextrous three-finger touchscreen capability and is at home inside the cock pit or during any high dexterity task where protection is needed, such as welding or working on engines. The back of the hand is built from a combination of Nomex and Kevlar®, offering flash-resistance, flame, and anti-static protection. The durable goatskin leather palm and fingers provide true physical feedback and tactile feel of equipment operational controls, firearms, and other manually operated devices while keeping you comfortable and protected from the surrounding environment

- Flash-resistant Nomex and Kevlar back of hand for flame and anti-static protection
- Durable and soft one-piece goatskin leather palm and finger construction for enhanced feel and control of firearms
- Ambidextrous three-finger touchscreen capability
- Gauntlet coverage extends past the wrist
- Subdued branding for better camouflage and concealment
- Excellent flexibility and dexterity
- Clip strap loops for easy storage and transport

MAGPUL® FLIGHT GLOVE 2.0 Safety Instruction Guide

Introduction

Thank you for choosing the MAGPUL® Flight Glove 2.0. This guide provides essential safety information and instructions to ensure the safe use of your gloves. Please read this document carefully before using the product.

General Safety Guidelines

- **Product Safety:** The MAGPUL Flight Glove 2.0 is designed to meet safety standards for nonfood products. It offers protection and comfort during various high dexterity tasks.
- **Enhanced Recalls:** In case of any safety concerns or product recalls, standardized notices will be provided to inform consumers. You will be eligible for free remedies for any dangerous products.
- **Online Shopping:** If you purchased this product online, you are entitled to the same safety protections as if you purchased it in a physical store.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children. Ensure that gloves are kept out of reach of children when not in use.
- **EU Contact Point:** For any safety inquiries, always refer to the contact point provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety by checking for updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Extreme Heat:** While the gloves offer flame and flash resistance, avoid direct exposure to extreme heat sources.
- **Proper Fit:** Ensure that the gloves fit snugly but comfortably. A poor fit may reduce dexterity and increase the risk of accidents.
- **Limit Use in Wet Conditions:** These gloves are not waterproof. Avoid using them in wet or damp conditions to maintain grip and dexterity.
- **Inspect Before Use:** Always inspect the gloves for any signs of damage or wear before each use. Discontinue use if any defects are found.
- **Avoid Chemical Exposure:** Keep the gloves away from harsh chemicals that may degrade the materials.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slip your hands into the gloves, ensuring that fingers fit comfortably into each finger compartment.
- Adjust the gauntlet coverage to extend past the wrist for optimal protection.

2. Using Touchscreen Features:

- The gloves feature ambidextrous threefinger touchscreen capability. Ensure that the designated fingers are used for touchscreen operations to maintain responsiveness.

3. Maintenance:

- Clean the gloves by wiping them with a damp cloth. Do not submerge in water or use harsh detergents.

- Allow the gloves to air dry completely before storing. Avoid direct sunlight and high heat sources during drying.

4. Storage:

- Store the gloves in a cool, dry place away from direct sunlight.
- Use clip strap loops for easy storage and transport when not in use.

Disposal Instructions

- Dispose of the gloves responsibly. If they are damaged beyond repair, consider recycling options available in your area.
- Do not dispose of the gloves in regular household waste if they contain hazardous materials. Check local regulations for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MAGPUL Flight Glove 2.0, please refer to the contact details provided by your retailer or manufacturer. They will assist you with any safety inquiries or issues you may encounter.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy the use of your MAGPUL® Flight Glove 2.0.
