With a design similar to Magpul's popular "El Original" gun belt, the Magpul Tejas Gun Belt - "El Delgado" was designed with a thinner polymer backing, resulting in an even more flexible belt that won't give up its gun belt rigidity. As a result, the "El Delgado" retains its original shape over its lifetime without adding extra bulk. Featuring a 100% North American bull hide outer layer and backed by a supporting, flexible layer of reinforcing polymer, the "El Delgado" offers dress belt comfort with stretch and sag-free performance, and it's sturdy enough to carry a light pistol. It measures 1-1/2" wide and .21" thick, so it will fit most belt loops and holsters comfortably. Eight holes with precise 3/4" spacing provide a wide adjustment range. The belt includes an easily removable buckle that's engineered with a sleek profile design that sits flat against the waist and helps reduce printing when you're carrying.
