

BACK PANEL FLASHBANG FLAP - SPIRITUS SYSTEMS BACK PANEL FLASHBANG FLAP, MULTICAM

[Home](#)

*** This product attaches to the ASSAULT BACK PANEL CORE. It is NOT standalone and requires a Core to function properly.*** Flash Bang Flap The Flash Bang Flap is a two pocketed zip on attachment the mates to Spiritus Systems Assault Back Panel Core. It consists of two pockets that measure 5" x 4" x 1.5" The pockets were built to house common Flash Bang sizes available to both LEO's and Military Personnel. Each pocket has a removable flap (included) and a built-in channel behind the pocket that allows for the storage of linear items, such as Slap Charges and Breach Pens. Each pocket can accommodate one of our Dividers, which will keep your flash bangs separate and upright even when one is removed from the pocket. The Flash Bang flap is attached to the Assault Back Panel Core by a separating dual zipper, 3 directional snaps and a hook/loop Velcro field. Some images show with optional accessories, sold separately.

BACK PANEL FLASHBANG FLAP SAFETY INSTRUCTION GUIDE

Introduction

Thank you for purchasing the BACK PANEL FLASHBANG FLAP by Spiritus Systems. This guide provides important safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the BACK PANEL FLASHBANG FLAP is attached to the ASSAULT BACK PANEL CORE. This product is not designed to be used as a standalone item.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for any recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- The pockets are designed to hold common Flash Bang sizes. Ensure that the items stored do not exceed the pocket dimensions of 5" x 4" x 1.5".
- Always use the removable flap provided with each pocket to secure the contents and prevent accidental discharge.
- Store linear items such as Slap Charges and Breach Pens only in the designated channel behind the pocket to avoid injury.
- Ensure that the Flash Bang flap is securely attached to the Assault Back Panel Core using the dual zipper, snaps, and Velcro field before use.
- Avoid placing excessive weight or pressure on the pockets to maintain the integrity of the product.

Instructions for Installation and Usage

1. Installation:

- Align the Flash Bang Flap with the ASSAULT BACK PANEL CORE.
- Securely attach the flap using the following:
 - Dual separating zipper
 - Three directional snaps
 - Hook/loop Velcro field
- Ensure that all connections are tight and secure before proceeding.

2. Usage:

- Open the pockets and carefully place the Flash Bangs inside, ensuring they fit comfortably without forcing them.
- Use the removable flap to cover the pockets, securing the contents.
- To access the items, gently open the flap and remove the Flash Bang as needed.
- If using dividers, insert them into the pockets to keep the Flash Bangs separated and upright.

Disposal Instructions

- Dispose of the BACK PANEL FLASHBANG FLAP in accordance with local regulations for textile and plastic waste.

- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact local waste management services for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further support regarding the BACK PANEL FLASHBANG FLAP, please refer to the manufacturer's website or contact the designated EUbased contact point.

By following these guidelines, you can ensure the safe and effective use of your BACK PANEL FLASHBANG FLAP.
Thank you for your attention to safety!
