

# MEDIUM GP POUCH MK3 - SPIRITUS SYSTEMS MEDIUM GP POUCH MK 3, MULTICAM

[Shooting Accessories](#) > [Duty Gear](#) > [Pouches](#)

There are plenty of GP pouches out there on the market, but this one is more than your average General Purpose pouch. Using feedback from service members of multiple organizations, Spiritus Systems expanded what a GP pouch can be. The Medium GP Pouch features a front pocket for storing items like VS-17 panels or SSE bags. The Mk3 model of the GP did away with the stretch material on the front pocket, instead featuring color-matched 500D Cordura Nylon. They improved their attachment system based on user feedback. Tighter weaving to keep the pouch secure to your vest and a belt pass through have been added without additional weight to the pouch. It merges the best of both worlds by utilizing webbing and low-profile, high-strength Tegriss. The Tegriss provides an ultralight and thin mounting solution, which pairs perfectly with the webbing attachment straps, providing extreme strength and ease of weaving. The inside of the pouch is lined with Velcro and accepts our Pouch Insert Suite. Together, this pouch can change the way you store your body-worn equipment. Dimensions (Approximate) Height 6" x Width 7" x Depth 2" Some images shown with optional accessories, sold separately.

# Safety Instruction Guide for MEDIUM GP POUCH MK3 SPIRITUS SYSTEMS

## Introduction

Thank you for choosing the MEDIUM GP POUCH MK3 by Spiritus Systems. This guide provides essential safety information and instructions for the safe use and maintenance of your pouch. Please read this guide carefully to ensure optimal safety and performance.

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose as a General Purpose pouch.
- Regularly inspect the pouch for any signs of wear or damage before use.
- Always secure the pouch properly to your vest or belt to prevent accidental detachment.
- Keep the pouch away from sharp objects that may cause punctures or tears.
- Store the pouch in a dry, cool place when not in use to prevent degradation of materials.
- Avoid exposing the pouch to extreme temperatures or harsh chemicals.
- If using the pouch for carrying sensitive items, ensure they are properly secured inside.

## Specific Safety Precautions for Use

- Do not overload the pouch beyond its intended capacity, as this may compromise its integrity.
- Ensure that all items stored in the pouch are properly secured to avoid spillage during movement.
- When attaching the pouch to your vest or belt, ensure that the webbing and Tegriss attachments are fully engaged.
- Use caution when handling the pouch in lowlight conditions to avoid tripping or falling.
- Keep the pouch out of reach of children and vulnerable individuals to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation

- Identify the attachment points on your vest or belt.
- Align the webbing straps of the pouch with the attachment points.
- Insert the straps through the attachment points and secure them tightly.
- Ensure that the pouch is firmly attached and does not move when pulled.

### 2. Usage

- Open the front pocket to store items such as VS17 panels or SSE bags.
- Ensure that items are placed securely within the pouch and do not protrude.
- Adjust the pouch as needed for comfort and accessibility while wearing.

## Disposal Instructions

- Dispose of the pouch responsibly at a designated waste disposal facility.
- Do not incinerate the pouch, as this may release harmful substances.
- If the pouch is damaged beyond repair, consider recycling the materials if possible.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the MEDIUM GP POUCH MK3, please contact the EUbased support

service provided by Spiritus Systems. They will assist you with any questions or issues related to the product.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your MEDIUM GP POUCH MK3. Thank you for your attention to these important safety measures.
