

# VICKERS 2-TO-1 RED SWIVEL SLING - BLUE FORCE GEAR VICKERS 2-TO-1 RED SWIVEL SLING OD GREEN

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

While 2-point slings are ideal for most situations, there are times, like deploying from a vehicle or fighting in complex structures, when a 1-point sling has a clear advantage. Combining Blue Force Gear's new polymer Burnsed Socket and patented RED Swivel, the Vickers 221 Sling allows users to switch from 2-point to 1-point mode instantly by pulling on the RED Swivel knob and reinserting it in to the Burnsed Socket at the rear of the receiver. The instantaneous adjustability of the sling is still maintained in both 1 and 2 point modes. Constructed similar to the world's standard Vickers Combat Applications Sling™, a RED™ Swivel is sewn to the front of the sling towards the muzzle. A standard push button swivel and new molded Burnsed Socket are woven onto the rear allowing full adjustability of the sling for use with or without body armor. The 221™ Sling fits any weapon with two QD sling swivel sockets with the rear socket towards the end of the receiver. For SCARS, Sigs, HKs, or other weapon systems with eyelets at the rear of the receiver, a Universal Wire Loop with Push Button Socket can be added instead of the included push button socket. Sling Build: 1.25" sling webbing 2.00" tubular webbing with closed cell foam padding for padded models Invista solution dyed CORDURA® webbing ITW GhilleTex™ Acetal hardware - a military grade, low IR plastic RED™ Swivel Build: Machined steel, phosphated for maximum corrosion resistance Nylon coated, double crimped directly to 7 strand stainless steel aircraft cable Textured spherico-conical shaped pull knob Stainless Steel internals

## Attributes

- Name: [BLUE FORCE GEAR VICKERS 2-TO-1 RED SWIVEL SLING OD GREEN](#)
- Manufacturer: [BLUE FORCE GEAR](#)
- Product no.: 430100702
- Mfr. No.: VCAS-2TO1-RED-1
- Colour: O.D. Green
- Material: Nylon
- Style: 2-point Sling
- Width: 1.25"
- Delivery weight: 0.163kg
- Shipping height: 32mm
- Shipping width: 133mm
- Shipping length: 127mm
- UPC: 814520019967

# VICKERS 2TO1 RED SWIVEL SLING Safety Instruction Guide

## Introduction

Thank you for choosing the Vickers 2TO1 Red Swivel Sling by Blue Force Gear. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your sling. Please read this document carefully before use.

## General Safety Guidelines

- **Product Safety:** This sling has been designed for safe use. Always ensure that it is used as intended.
- **Enhanced Recalls:** Stay informed about any product recalls. If a recall is issued, follow the provided instructions for returning or replacing the product.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact details provided by the retailer.
- **Rapid Alerts:** Check for updates on the Safety Gate platform to stay informed about any safety alerts related to this product.

## Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the sling for signs of wear or damage before each use. Do not use if damaged.
- **Proper Attachment:** Ensure that the sling is securely attached to the weapon. Check both QD sling swivel sockets before use.
- **Avoid Overloading:** Do not exceed the recommended weight limits for the sling. Excessive weight can lead to failure.
- **Keep Clear of Moving Parts:** Ensure that the sling is not in the way of any moving parts of the weapon during operation.
- **Use in Appropriate Conditions:** Avoid using the sling in extreme weather conditions that may affect its performance.
- **Follow Manufacturer Recommendations:** Adhere to all guidelines provided by Blue Force Gear regarding the use and maintenance of the sling.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the weapon is unloaded before attaching the sling.
- Locate the QD sling swivel sockets on the weapon.
- Attach the front of the sling to the front socket and the rear of the sling to the rear socket. Ensure both connections are secure.

### 2. Adjusting the Sling:

- To switch between 2point and 1point modes, pull on the RED Swivel knob and reinserting it into the Burnsed Socket at the rear of the receiver.
- Adjust the length of the sling using the Acetal triglides to achieve a comfortable fit.

### 3. Using the Sling:

- When using the sling, ensure it is properly adjusted to allow for quick transitions between shooting positions.
- Maintain control of the weapon at all times while using the sling.

## Disposal Instructions

- **Disposal of the Sling:** When the sling is no longer usable, dispose of it in accordance with local regulations regarding textile waste. Do not dispose of it in regular household waste.
- **Environmental Considerations:** If applicable, recycle components of the sling that can be recycled, such as metal parts.

## Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the contact information provided by the retailer from whom you purchased the sling.

By following these guidelines, you can ensure the safe and effective use of your Vickers 2TO1 Red Swivel Sling. Thank you for your attention to safety.
