# FIREMAX DIGITAL MUFF WALKERS GAME EAR Safety Instruction Guide

## Introduction

Thank you for choosing the Walker's Game Ear FireMax Digital Muff. This product is designed to provide effective hearing protection while enhancing your audio experience. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Ensure that the product is suitable for your specific needs, particularly in terms of noise reduction.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- In case of any malfunction, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Hearing Protection:** The FireMax Digital Muff is designed to reduce harmful noise levels. Ensure proper fit for maximum effectiveness.
- **Charging:** Use only the provided USBC charging cable to charge the device. Do not use thirdparty chargers as they may cause damage.
- **Moisture Exposure:** Avoid exposing the product to water or moisture. The product is rated IP54, which means it is protected against dust and splashes of water, but not submersion.
- **Temperature:** Do not expose the product to extreme temperatures. Store it in a cool, dry place when not in use.
- **Battery Safety:** Do not attempt to replace the battery yourself. If the battery shows signs of swelling or leakage, discontinue use and contact support.

## Instructions for Installation and Usage

### 1. Charging the Device:

- Connect the USBC charging cable to the charging port on the FireMax Digital Muff.
- Plug the other end into a USB power source.
- Allow the device to charge fully, which may take several hours. A full charge provides up to 200 hours of use.

### 2. Wearing the Muff:

- Place the headband over your head and adjust it for a snug fit.
- Ensure the earpads cover your ears completely to maximize noise reduction.

### 3. Operating the Device:

- Use the soft touch silent button to power on/off and switch between the four frequency modes: universal, clear voice, high frequency boost, and power boost.
- Familiarize yourself with the sound activated compression feature, which helps protect your hearing from sudden loud noises.

### 4. Audio Connection:

- If you wish to connect external audio devices, use the 3.5mm audio jack provided.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste.
- Remove the battery (if applicable) and dispose of it separately according to local battery disposal guidelines.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product concerns, please refer to the manufacturer's contact information provided with your product packaging or on the official website.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Walker's Game Ear FireMax Digital Muff. Always prioritize your safety and the safety of others while using this product. Thank you for your attention to these guidelines.
