Safety Instruction Guide for RAZOR DIGITAL XTRM MUFF WITH BLUETOOTH

Introduction

Thank you for choosing the RAZOR DIGITAL XTRM MUFF WITH BLUETOOTH. This product is designed to enhance your hearing protection while allowing you to communicate effectively in noisy environments. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Be aware of potential hazards associated with the use of electronic earmuffs.
- Regularly check for product recalls and safety updates on the EU Safety Gate platform.
- If you notice any defects or malfunctions, discontinue use immediately and report the issue.
- Keep the product out of reach of children to prevent misuse.

Specific Safety Precautions for Use

- Do not use the earmuffs in environments where hearing protection is required but the Noise Reduction Rating (NRR) is insufficient.
- Avoid using the product in extreme temperatures or wet conditions to prevent damage.
- Ensure that the Bluetooth functionality is used responsibly, avoiding distractions while operating machinery or vehicles.
- Regularly inspect the earmuffs for wear and tear, especially the headband and earpads.
- If you experience discomfort or reduced hearing protection, discontinue use and seek assistance.

Instructions for Installation and Usage

1. Battery Installation:

- Open the battery compartment located on the earmuffs.
- Insert 2 AAA batteries, ensuring they are placed in the correct orientation (+/-).
- Close the battery compartment securely.

2. Powering On/Off:

- To turn on the earmuffs, press and hold the power button until you hear a beep.
- To turn off, press and hold the power button again until you hear a second beep.

3. Bluetooth Pairing:

- Activate Bluetooth on your device (smartphone, tablet, etc.).
- With the earmuffs powered on, press and hold the Bluetooth button until the indicator light flashes.
- Select "RAZOR DIGITAL XTRM" from your device's Bluetooth menu to pair.

4. Adjusting Fit:

- Adjust the headband for a snug fit to ensure maximum noise reduction.
- Ensure the earpads are positioned comfortably over your ears.

5. Using the Product:

- While using the earmuffs, you can communicate with others without removing them.

- Be aware of your surroundings and maintain situational awareness, especially in active shooting ranges or hunting environments.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Do not dispose of the earmuffs in regular household waste to minimize environmental impact.
