

# RAZOR RECHARGEABLE MUFFS - WALKERS GAME EAR RAZOR RECHARGEABLE MUFF BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The Walker's Razor Slim Low Profile Electronic Earmuffs feature a Noise Reduction Rating (NRR) of 21 dB, and utilized sound activated compression (SAC) of 0.02 seconds. SAC is a special electronic circuitry that will compress gun shots and other loud noises down to a safe level, without completely shutting the noise off. This allows you to hear range commands or communicate with your hunting partners, even when shots are being fired around you. Your hearing cannot be replaced, so make sure you pick up a set of Walker's Razor Electronic Earmuffs for your next trip to the woods or range. FEATURES Low noise/frequency tuned for natural sound clarify 300 MaH (40 hours battery life) USB charging port Full dynamic range HD speakers for clear balanced sound Sound activated compression Sound dampening composite housing 3.5mm audio jack

# Safety Instruction Guide for Walker's Razor Rechargeable Muffs

## Introduction

Thank you for choosing the Walker's Razor Rechargeable Muffs. These electronic earmuffs are designed to provide hearing protection while allowing you to communicate effectively in loud environments. This guide outlines important safety information to ensure your safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure safe use by following all instructions and warnings provided in this guide.
- **Enhanced Recalls:** Stay informed about product recalls. Check the EU's Safety Gate platform regularly for updates.
- **Online Shopping:** If purchased online, ensure the seller complies with EU safety requirements.
- **Special Consumer Focus:** These earmuffs are not designed for children. Keep out of reach of young children to prevent misuse.
- **EU Contact Point:** For safety inquiries, refer to the product packaging or the manufacturer's website for EU-based contact information.
- **Rapid Alerts:** Be aware of any updates regarding product safety through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hearing Protection:** These earmuffs have a Noise Reduction Rating (NRR) of 21 dB. Always wear them in loud environments to protect your hearing.
- **Sound Activated Compression:** The earmuffs include sound activated compression (SAC) which activates within 0.02 seconds. This feature protects your hearing from sudden loud noises while allowing you to hear normal sounds.
- **Battery Safety:** The earmuffs are rechargeable. Only use the provided USB charging port and avoid exposure to extreme temperatures during charging.
- **Avoid Water Exposure:** Keep the earmuffs dry. Avoid using them in wet conditions, as moisture can damage the electronic components.
- **Regular Inspection:** Routinely check the earmuffs for any signs of damage. If damaged, discontinue use immediately.

## Instructions for Installation and Usage

### 1. Charging the Earmuffs:

- Connect the USB charging cable to the earmuffs and a power source.
- Allow the earmuffs to charge fully. A full charge provides approximately 40 hours of use.
- Do not use the earmuffs while charging.

### 2. Wearing the Earmuffs:

- Adjust the headband to fit snugly but comfortably on your head.
- Ensure the earmuffs cover your ears completely to maximize sound reduction.
- For best performance, position the earmuffs correctly before use.

### 3. Using the 3.5mm Audio Jack:

- If you wish to connect external audio devices, plug the audio jack into the earmuffs.
- Ensure the volume is set to a safe level to prevent hearing damage.

#### 4. **Turning On/Off:**

- To turn on, press the power button until you hear a tone.
- To turn off, press the power button again until you hear a tone indicating the device is off.

## **Disposal Instructions**

- **Environmental Considerations:** Dispose of the earmuffs in accordance with local regulations regarding electronic waste.
- **Battery Disposal:** Do not dispose of the rechargeable battery in household waste. Follow local guidelines for battery recycling and disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the Walker's Razor Rechargeable Muffs, please refer to the manufacturer's website or product packaging for contact details.

Thank you for following these safety instructions. Enjoy your Walker's Razor Rechargeable Muffs and stay safe!
