

# RAZOR RECHARGEABLE MUFFS - WALKERS GAME EAR RAZOR RECHARGEABLE MUFF FLAT DARK EARTH

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

The Walker's Razor Slim Low Profile Electronic Earmuffs feature a Noise Reduction Rating (NRR) of 21 dB, and utilized sound activated compression (SAC) of 0.02 seconds. SAC is a special electronic circuitry that will compress gun shots and other loud noises down to a safe level, without completely shutting the noise off. This allows you to hear range commands or communicate with your hunting partners, even when shots are being fired around you. Your hearing cannot be replaced, so make sure you pick up a set of Walker's Razor Electronic Earmuffs for your next trip to the woods or range. FEATURES Low noise/frequency tuned for natural sound clarify 300 MaH (40 hours battery life) USB charging port Full dynamic range HD speakers for clear balanced sound Sound activated compression Sound dampening composite housing 3.5mm audio jack

## Attributes

# Safety Instruction Guide for Walker's Razor Rechargeable Muff Walkers Game Ear

## Introduction

Thank you for choosing the Walker's Razor Rechargeable Muff Walkers Game Ear. These electronic earmuffs are designed to provide you with hearing protection while allowing you to communicate effectively in noisy environments. To ensure your safety and the optimal performance of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Ensure that the earmuffs are used in accordance with the manufacturer's instructions to avoid potential hazards.
- Regularly inspect the earmuffs for any signs of damage or wear. Do not use if damaged.
- Keep the earmuffs out of reach of children and pets to prevent accidental use.
- Be aware of your surroundings while using the earmuffs, as they may limit your ability to hear important sounds.
- Follow local laws and regulations regarding the use of hearing protection devices.

## Specific Safety Precautions for Use

- **Noise Reduction Rating (NRR):** The Walker's Razor earmuffs have an NRR of 21 dB, which means they are designed to reduce harmful noise levels. However, they do not eliminate all sounds. Always remain vigilant in noisy environments.
- **Sound Activated Compression:** The earmuffs feature a soundactivated compression system that responds to loud noises, such as gunshots, within 0.02 seconds. This technology allows you to hear normal sounds while protecting your hearing from loud bursts.
- **Battery Safety:** The earmuffs are powered by a rechargeable 300 mAh battery. Ensure that the charging port is dry and clean before charging. Do not attempt to charge the earmuffs with a damaged cable or charger.
- **Audio Input:** The earmuffs have a 3.5mm audio jack for connecting external audio devices. Ensure that volume levels are set appropriately to avoid hearing damage.

## Instructions for Installation and Usage

### 1. Charging the Earmuffs:

- Connect the USB charging cable to the earmuffs and a power source.
- Allow the earmuffs to charge fully before first use. A full charge provides approximately 40 hours of battery life.
- Disconnect the charging cable once charging is complete.

### 2. Wearing the Earmuffs:

- Adjust the earmuffs to fit snugly over your ears. Ensure that there is a good seal to maximize noise reduction.
- Make sure the earmuffs are positioned correctly to avoid discomfort during extended use.

### 3. Using the Earmuffs:

- Turn on the earmuffs using the power button.
- Adjust the volume control to a comfortable level for communication.

- When using the audio jack, connect your audio device and adjust the volume as needed.

#### **4. Maintenance:**

- Clean the earmuffs regularly with a soft, damp cloth. Do not use harsh chemicals or abrasive materials.
- Store the earmuffs in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the earmuffs in accordance with local regulations regarding electronic waste.
- Remove the battery before disposal, if applicable, and recycle it according to local guidelines.
- Do not dispose of the earmuffs in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Walker's Razor Rechargeable Muff Walkers Game Ear. Thank you for prioritizing your hearing protection!
