

AR-15 GAMMA 556 SL MUZZLE BRAKES 5.56 - AERO PRECISION

GAMMA 556 SL MUZZLE BRAKE 5.56 1/2-28 BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The GAMMA 556SL is the ideal muzzle brake for 14.5" rifle builds. Featuring an outside diameter of .745", the GAMMA 556SL can be pinned and welded to your barrel while still allowing full maintenance and removal of your gas block without having to remove the muzzle device. The GAMMA 556SL utilizes a new aggressive chamber design that improves gas flow and reduces felt recoil significantly. It also features deep channel cuts that greatly reduce the overall weight toward the front end of your build. Slim in design does not mean slim in performance. Users can still expect the same great performance they have grown to trust from VG6 Precision muzzle brakes. With the GAMMA 556SL, you have the optimal solution for a lightweight, legal (when pinned and welded) and flat shooting 14.5" Rifle Build. Includes pre-drilled hole for pinning to a 14.5" barrel for an overall length of 16.1". The CAGE Device is NOT compatible with the GAMMA 556SL

Attributes

- Name: [AERO PRECISION GAMMA 556 SL MUZZLE BRAKE 5.56 1/2-28 BLACK](#)

Safety Instruction Guide for AR15 GAMMA 556 SL Muzzle Brake

Introduction

Thank you for choosing the AR15 GAMMA 556 SL Muzzle Brake. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read this safety instruction guide carefully to understand the proper use, installation, and disposal of the product.

General Safety Guidelines

- Ensure safe use by following all instructions provided in this guide.
- Always treat the muzzle brake as if it is loaded and handle it with care.
- Keep the muzzle brake out of reach of children and vulnerable individuals.
- Regularly inspect the muzzle brake for any signs of damage or wear.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the muzzle brake only with firearms that are compatible with 5.56 caliber ammunition.
- Ensure the muzzle brake is correctly installed and secured before use.
- Avoid using the muzzle brake if it shows any signs of damage or deformation.
- Always wear appropriate eye and ear protection when shooting.
- Do not modify or alter the muzzle brake in any way.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm use and modifications.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the threads of the barrel to ensure proper installation.
- Align the GAMMA 556 SL Muzzle Brake with the barrel threads.
- Handtighten the muzzle brake onto the barrel.
- Use appropriate tools to securely tighten the muzzle brake, ensuring it is pinned and welded if required.
- Confirm that the muzzle brake is installed correctly and is secure.

2. Usage

- Before firing, ensure that the muzzle brake is properly secured and that the firearm is in good working condition.
- When shooting, maintain a proper shooting stance and grip.
- Monitor your shooting environment for any potential hazards.
- After use, clean the muzzle brake according to the manufacturer's recommendations to maintain performance.

Disposal Instructions

- Dispose of the AR15 GAMMA 556 SL Muzzle Brake in accordance with local regulations.
- If the muzzle brake is damaged or no longer in use, ensure it is disposed of safely to prevent any injury.
- Do not dispose of the muzzle brake in regular household waste; check for local recycling or hazardous waste programs.

Contact Information for Further Support

For any inquiries or support regarding the AR15 GAMMA 556 SL Muzzle Brake, please refer to the manufacturer's contact information, which can be found on their official website or product packaging.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on the proper use and care of this product.
