

DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS - PROOF RESEARCH 300 WINCHESTER MAGNUM 1-10" TWIST 26" SENDERO CONTOUR

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research pre-fit carbon fiber & steel barrels for the Defiance Ruckus are to be installed in a simple operation requiring few specialized tools. Their pre-fit barrels are chambered and threaded for a simple install that require only a few specialized tools. Simply torque your barrel on, double check headspace with proper gauges and head to the range! Unprecedented accuracy and performance - it does not get much better than our Defiance Ruckus carbon fiber & steel pre-fit barrels. Carbon Fiber barrels are 64% lighter than traditional Steel barrels. Improved heat Dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF drop-in barrels are designed to fit Defiance Ruckus, Tenacity and Anti actions with the 'Recessed' bolt nose option only and will not be compatible with actions that have cone, flat, or control round feed bolts.

Safety Instruction Guide for DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS

Introduction

Thank you for choosing the DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS by PROOF Research. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the product by following all instructions.
- Be aware of the potential risks associated with the use of firearms and related accessories.
- Regularly check for product recalls or safety updates on the EU Safety Gate platform.
- Use the product only as intended and in compliance with all local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate eye and hearing protection when using firearms.
- Ensure that the firearm is unloaded before installation or maintenance of the barrel.
- Verify that the barrel is compatible with your firearm's action before installation.
- Use only the recommended tools for installation to avoid damage or injury.
- Regularly inspect the barrel for signs of wear, damage, or corrosion.
- Store the barrel in a cool, dry place away from direct sunlight and moisture.
- Never exceed the manufacturer's recommended ammunition specifications.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools, including torque wrench and appropriate gauges.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installing the Barrel:

- Align the barrel with the action of the firearm.
- Torque the barrel to the manufacturer's specifications using a torque wrench.
- Doublecheck headspace using proper gauges to ensure safety and accuracy.

3. Final Checks:

- Inspect the installation to ensure that the barrel is securely attached.
- Confirm that the muzzle threads are properly aligned and clean.

Usage Instructions

- Before firing, ensure that the barrel is clean and free from obstructions.
- Use only the specified 300 Winchester Magnum ammunition for optimal performance.
- Follow all standard operating procedures for firearm safety during use.
- After use, clean the barrel according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations for hazardous waste.
- Do not dispose of the barrel in regular household waste.
- Consider recycling options for metal and carbon fiber materials where available.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the contact information provided in the product documentation or on the manufacturer's website. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and enjoyable experience with your DEFIANCE RUCKUS SHOULDERED PREFIT CARBON FIBER BARRELS. Thank you for prioritizing safety.
