# Safety Instructions for the SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK

## Introduction

Thank you for choosing the SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK by Christensen Arms. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model (Remington 700 Long Action).
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the firearm unloaded when not in use and store it in a secure location.
- Be aware of your surroundings when handling firearms and ensure that no unauthorized persons are nearby.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when using firearms.
- Regularly inspect the stock for any signs of damage or wear before use.
- Do not use the stock if it is damaged or shows signs of stress.

## Specific Safety Precautions for Use

- Ensure that the stock is properly fitted to your firearm before use.
- Check that all screws and fittings are secure prior to firing.
- Avoid exposing the stock to extreme temperatures or harsh chemicals that could compromise its integrity.
- Do not modify the stock in any way without consulting a qualified gunsmith.
- Be cautious when using the stock in wet or humid conditions to prevent slipping.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the necessary tools for installation, including a screwdriver and any specific tools recommended by the firearm manufacturer.
- Remove the existing stock from your Remington 700 Long Action firearm.
- Carefully fit the SPORTER stock onto the action, ensuring that it aligns properly.
- Secure the stock using the provided screws and ensure that they are tightened to the manufacturer's specifications.
- Check the fit of the recoil lug and make any necessary adjustments.

### 2. Usage:

- Once installed, test the fit and feel of the stock by shouldering the firearm.
- Ensure that the cheek height is comfortable and allows for proper sight alignment.
- Practice safe handling techniques and ensure that you are familiar with the operation of your firearm.
- Regularly clean and maintain the stock to ensure longevity and performance.

## **Disposal Instructions**

- When disposing of the stock, follow local regulations regarding the disposal of composite materials.
- If the stock is damaged beyond repair, consider recycling it if possible, or dispose of it in accordance with local waste management guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK, please refer to the manufacturer's website or contact their customer support for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important guidelines.
