# Safety Instruction Guide for the SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK

## Introduction

Thank you for choosing the SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK by Christensen Arms. This guide provides important safety information and instructions to ensure the safe and effective use of your new product. Please read this guide carefully before use.

## General Safety Guidelines

To ensure your safety and the safety of others, please adhere to the following guidelines:

- Always treat your firearm as if it is loaded.
- Ensure that the stock is properly installed and secured before using your firearm.
- Regularly inspect the stock for any signs of wear or damage.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Do not modify the stock in any way that could compromise its integrity or safety.
- Follow all local laws and regulations regarding firearm ownership and usage.
- If you experience any issues with the stock or firearm, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

When using the SPORTER stock, please observe the following precautions:

- Ensure that the stock is compatible with your firearm model (Remington 700 Long Action).
- Verify that the recoil lug is properly bedded to avoid any movement during firing.
- Use only the recommended barrel profile for the stock.
- Always wear appropriate eye and ear protection when using your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the stock in wet or damp conditions to prevent damage to materials.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of your SPORTER stock:

### 1. Installation:

- Ensure that you have the correct tools for installation (e.g., screwdriver, bedding compound).
- Remove the existing stock from your Remington 700 Long Action firearm.
- Clean the action and ensure that there are no obstructions.
- Apply bedding compound to the recoil lug area.
- Carefully place the carbon fiber composite stock onto the action and ensure proper alignment.
- Secure the stock using the appropriate screws and torque to manufacturer specifications.
- Allow the bedding compound to cure as per the manufacturer's instructions before using the firearm.

### 2. Usage:

- Before each use, inspect the stock for any signs of damage or wear.
- Ensure that the firearm is properly loaded and functioning.
- Practice safe handling and shooting techniques at all times.

- After use, clean the stock and firearm to maintain performance and longevity.

## **Disposal Instructions**

When disposing of your SPORTER stock, please follow these guidelines:

- Dispose of the stock in accordance with local regulations regarding composite materials.
- Do not burn the stock, as it may release harmful substances.
- If the stock is damaged beyond repair, consider contacting a local recycling facility that accepts composite materials.

## **Contact Information for Further Support**

For any questions or concerns regarding your SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK, please refer to the manufacturer's website or contact your local retailer for assistance.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your SPORTER LONG ACTION CARBON FIBER COMPOSITE STOCK. Thank you for your attention to safety.
