# Safety Instruction Guide for M5 (.308) Enhanced Gen2 MLOK Handguards

## Introduction

Thank you for choosing the M5 (.308) Enhanced Gen2 MLOK Handguards from Aero Precision. This guide provides essential safety instructions to ensure the safe use and installation of your handguards. Please read this guide thoroughly before using the product to ensure compliance with safety regulations and to enhance your experience.

## General Safety Guidelines

- Ensure that the handguards are compatible with your specific firearm model (M5 .308/M5E1 platform only).
- Always handle firearms with care and follow the manufacturer's instructions for safe handling and operation.
- Inspect the handguards for any signs of damage before installation. Do not use damaged components.
- Keep the handguards out of reach of children and unauthorized users.
- Use the handguards only for their intended purpose. Do not modify or alter the product in any way.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before beginning the installation process.
- Use appropriate tools and follow the installation instructions carefully to avoid injuries.
- Wear safety glasses during installation to protect your eyes from debris.

### • Operational Precautions:

- Always check the fit of the handguard after installation to ensure it is secure.
- Be aware of the weight of your firearm after installation; ensure you can handle it safely.
- Regularly inspect the handguards for wear and tear, and replace them if necessary.

### • Environmental Precautions:

- Store the handguards in a dry, cool place to prevent corrosion and damage.
- Avoid exposing the handguards to extreme temperatures or harsh chemicals.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a barrel nut wrench, torque wrench, and any other tools specified in the product manual.
- Ensure that your workspace is clean and free from distractions.

### 2. Installation Steps:

- Remove the existing handguard from your firearm by unscrewing the barrel nut.
- Carefully install the new barrel nut (not included) according to the manufacturer's specifications.
- Align the handguard with the barrel nut and secure it using the provided antirotation tabs.

- Tighten the screws to the recommended torque settings to ensure a secure fit.

### **3. Post Installation:**

- After installation, check that the handguard is firmly attached and does not move when pulled or pushed.
- Familiarize yourself with the handguard's features, including the quick disconnect sling sockets and scalloped rails.

### **4. Usage:**

- Use the MLOK slots to attach accessories as needed, ensuring they are securely fastened.
- Always practice safe firearm handling when using your firearm equipped with the handguards.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the handguards are damaged beyond repair, dispose of them according to local electronic waste regulations.
- Do not throw handguards in regular trash if they contain metal components; check for recycling options.

## **Contact Information for Further Support**

For any inquiries regarding the safety, installation, or use of your M5 (.308) Enhanced Gen2 MLOK Handguards, please refer to the manufacturer's website or contact customer support.

By following these guidelines, you can ensure a safe and enjoyable experience with your M5 (.308) Enhanced Gen2 MLOK Handguards. Thank you for your attention to safety.
