

SMR SHORT ACTION OBERNDORF ALUMINUM BDL BOTTOM METAL - SNOWY MOUNTAIN RIFLE COMPANY SMR SHORT ACTION OBERNDORF ALUMINUM BDL ANODIZED BM

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Snowy Mountain Rifles bottom metals are 100% USA made in house in their Montana facility. Their original Oberndorf bottom metal was designed with the lightweight hunting build in mind. With industry leading cuts and design to allow proper fit and feeding, while still allowing 3 rounds to fit of larger diameter calibers like the 6.5 PRC, 7 SAUM, 300 WSM, 28 Nosler, 300 PRC, 300 Norma and more. Made from a single billet piece of 6061 aluminum and carrying their snap fit lid closure system that is guaranteed to never open under recoil. Available for Remington 700 and Remington 700 clone actions in short, XM and long action. - Long action bottom metal weights 2.9 Oz and short action weighs 2.7 OZ - Designed to fit stand box length or Wyatt's extended boxes.

Safety Instruction Guide for SMR Short Action Oberndorf Aluminum BDL Bottom Metal

Introduction

Thank you for choosing the SMR Short Action Oberndorf Aluminum BDL Bottom Metal from Snowy Mountain Rifle Company. This product is designed for enhanced performance and safety in your rifle system. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always treat firearms and their components as if they are loaded.
- Ensure that your rifle is in good working condition before installation or use.
- Store this product and all firearms in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearms and their components.
- Regularly inspect your bottom metal for signs of wear or damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only compatible Remington 700 and Remington 700 clone actions.
- Ensure that the bottom metal is properly installed before use.
- Do not exceed the recommended caliber limits for the bottom metal.
- Be cautious when handling ammunition, and avoid mixing different calibers.
- Always wear appropriate eye and ear protection when using firearms.
- Do not modify the bottom metal in any way that could compromise its integrity or safety.

Instructions for Installation and Usage

1. Installation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Remove the existing bottom metal from your rifle, if applicable.
- Align the SMR bottom metal with the action of your rifle.
- Secure the bottom metal in place using the provided screws, ensuring a snug fit.
- Check that the snap fit lid closure system is functioning properly.

2. Usage

- Load the magazine with compatible ammunition, ensuring that it fits properly.
- Always check the fit and function of the bottom metal before going to the range or field.
- Maintain a safe shooting posture and follow proper firearm handling techniques.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the bottom metal in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or support regarding the SMR Short Action Oberndorf Aluminum BDL Bottom Metal, please

contact the manufacturer directly through the appropriate channels provided at the point of purchase or on the official website.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your SMR Short Action Oberndorf Aluminum BDL Bottom Metal. Always prioritize safety and responsibility when handling firearms and their components.
