

# SMR SHORT ACTION OBERNDORF ALUMINUM BDL M5 BOTTOM METAL - SNOWY MOUNTAIN RIFLE COMPANY SMR SHORT ACTION OBERNDORF ALUMINUM BDL M5 BM

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Snowy Mountain Rifles bottom metals are 100% USA made in house in their Montana facility. Their original Oberndorf bottom metal was designed with the lightweight hunting build in mind. With industry leading cuts and design to allow proper fit and feeding, while still allowing 3 rounds to fit of larger diameter calibers like the 6.5 PRC, 7 SAUM, 300 WSM, 28 Nosler, 300 PRC, 300 Norma and more. Made from a single billet piece of 6061 aluminum and carrying their snap fit lid closure system that is guaranteed to never open under recoil. Available for Remington 700 and Remington 700 clone actions in short, XM and long action. - Long action bottom metal weights 2.9 Oz and short action weighs 2.7 OZ - Designed to fit stand box length or Wyatt's extended boxes.

# Safety Instruction Guide for SMR Short Action Oberndorf Aluminum Bottom Metal

## Introduction

Thank you for choosing the SMR Short Action Oberndorf Aluminum Bottom Metal by Snowy Mountain Rifle Company. This product is designed for enhanced performance and safety during use. Please read this safety instruction guide carefully to ensure proper handling and usage.

## General Safety Guidelines

- Ensure safe use of the bottom metal by following these guidelines:
  - Always handle firearms and their components with care.
  - Keep the product out of reach of children and unauthorized persons.
  - Regularly inspect the bottom metal for wear or damage.
  - Familiarize yourself with the specific firearm model to ensure compatibility.
  - Always follow the manufacturer's instructions for installation and usage.

## Specific Safety Precautions for Use

- Before using the bottom metal, consider the following precautions:
  - Verify that the bottom metal is installed correctly to avoid malfunctions.
  - Use only compatible ammunition as specified by your firearm manufacturer.
  - Ensure the firearm is unloaded before installation or maintenance.
  - Do not exceed the recommended ammunition capacity of the bottom metal.
  - Be aware of your surroundings when handling firearms to prevent accidents.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the SMR Bottom Metal:

### 1. Preparation:

- Ensure your workspace is clean and free from distractions.
- Gather all necessary tools for installation.

### 2. Installation:

- Remove the existing bottom metal from your firearm, if applicable.
- Align the SMR Bottom Metal with the action of your firearm.
- Secure the bottom metal in place using the provided screws.
- Ensure the snap fit lid closure system is functioning correctly.

### 3. Usage:

- Load the firearm according to the manufacturer's guidelines.
- Ensure the bottom metal is properly engaged during loading and unloading.
- Regularly check for proper fit and function during use.

## Disposal Instructions

- When disposing of the product, follow these guidelines:

- Dispose of the bottom metal in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling the aluminum material if possible.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the SMR Short Action Oberndorf Aluminum Bottom Metal, please refer to the product packaging for contact information.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your SMR Short Action Oberndorf Aluminum Bottom Metal. Always prioritize safety and stay informed about the proper handling of firearms and their components. Thank you for your attention to these important safety guidelines.
