

SMR SHORT ACTION OBERNDORF ALUMINUM BDL M5 BOTTOM METAL - SNOWY MOUNTAIN RIFLE COMPANY SMR SHORT ACTION OBERNDORF ALUMINUM BDL ANODIZED M5 BM

[Rifle Parts](#) > [Receiver Parts](#) > [Bottom Metals](#)

Snowy Mountain Rifles bottom metals are 100% USA made in house in their Montana facility. Their original Oberndorf bottom metal was designed with the lightweight hunting build in mind. With industry leading cuts and design to allow proper fit and feeding, while still allowing 3 rounds to fit of larger diameter calibers like the 6.5 PRC, 7 SAUM, 300 WSM, 28 Nosler, 300 PRC, 300 Norma and more. Made from a single billet piece of 6061 aluminum and carrying their snap fit lid closure system that is guaranteed to never open under recoil. Available for Remington 700 and Remington 700 clone actions in short, XM and long action. - Long action bottom metal weights 2.9 Oz and short action weighs 2.7 OZ - Designed to fit stand box length or Wyatt's extended boxes.

Safety Instruction Guide for SMR Short Action Oberndorf Aluminum BDL

Introduction

Thank you for choosing the SMR Short Action Oberndorf Aluminum BDL from Snowy Mountain Rifle Company. This product has been designed with safety and performance in mind. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product regularly for any signs of wear or damage before use.
- Never use the product if it appears damaged or if any components are missing.
- Keep the product out of reach of children and unauthorized users.
- Ensure that you are using the product in a safe environment, free from hazards.
- Be aware of your surroundings and ensure that no one is in the line of fire when using this product.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or removing the bottom metal.
- Use only compatible firearms, specifically Remington 700 and Remington 700 clone actions.
- Verify that the bottom metal is properly fitted to the firearm to prevent malfunctions.
- Do not exceed the recommended ammunition specifications for the bottom metal.
- Always wear appropriate eye and ear protection when using firearms.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, such as screwdrivers.

2. Removing the Old Bottom Metal:

- Carefully remove any screws or fasteners holding the old bottom metal in place.
- Gently lift the old bottom metal away from the firearm.

3. Installing the New Bottom Metal:

- Align the new SMR bottom metal with the action of the firearm.
- Securely fasten the bottom metal using the provided screws or fasteners.
- Ensure that the bottom metal is snugly fit and does not move.

4. Final Check:

- Inspect the installation to ensure everything is secure.
- Check that the magazine fits properly and functions as intended.

Usage

- Load the firearm only when you are ready to use it.
- Follow all standard firearm safety practices during use.
- After use, clean the bottom metal according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please refer to the manufacturer's contact information provided on the packaging or visit the official Snowy Mountain Rifle Company website. Ensure that you have the product details ready for any inquiries.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SMR Short Action Oberndorf Aluminum BDL. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important guidelines.
