

STACCATO 2011® COMPATIBLE MAGAZINES STAINLESS STEEL 9MM - CHECK-MATE INDUSTRIES 2011 COMPATIBLE 17-RD MAGAZINE 126MM SS 9MM

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Check-Mate's line of 2011 magazines are made from the highest quality American milled stainless steel. Every tube is through-hardened for exceptional strength and durability. Tubes are polished inside and out to eliminate drag. The follower is designed featuring Check-Mates anti-friction self-lubricating polymer for exceptional feed and function with every round. Check-Mates high-performance springs offer high quality, outstanding reliability, and exceptional spring endurance.

Safety Instruction Guide for STACCATO 2011® Compatible Magazines

Introduction

Thank you for choosing the STACCATO 2011® Compatible Magazines manufactured by CheckMate Industries. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always handle firearms and magazines with care and attention.
- Ensure that you are in a safe environment when loading or unloading the magazine.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not use the magazine if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm model (STACCATO 2011).
- Always verify that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine in any way, as this may compromise its safety and functionality.
- Use only 9mm Luger cartridges that are in good condition.
- Avoid exposing the magazine to extreme temperatures or moisture, as this can affect its performance.
- Store the magazine in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.
- Verify that the magazine is securely locked in by gently pulling on it.

2. Usage:

- Load the magazine by pressing cartridges into the magazine slots from the top.
- Ensure that each cartridge is seated properly.
- When ready to fire, insert the loaded magazine into the firearm as described in the installation instructions.
- After firing, remove the magazine by pressing the magazine release button and pulling the magazine out.

3. Maintenance:

- Clean the magazine regularly with a soft cloth to remove dirt and debris.
- Inspect the follower and spring for any signs of wear or damage.
- If necessary, apply a small amount of lubricant to the follower to ensure smooth operation.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer safe to use, do not attempt to repair it. Instead, follow your local waste management guidelines for disposal.

Contact Information for Further Support

For any inquiries regarding safety, product performance, or recalls, please contact the manufacturer or your local distributor. Ensure that you have the product details and any relevant information ready for a prompt response.

Thank you for your attention to these safety guidelines. Your safety and the safety of others depend on your responsible use of this product.
