# Safety Instruction Guide for REAR BATTLESIGHT FOR 2020 COLT PYTHON/ANACONDA

## Introduction

Thank you for choosing the Wilson Combat Adjustable Target/Tactical Rear Sight for your Colt 2020 Python or Anaconda. This guide provides important safety information and instructions to ensure the proper and safe use of your new rear sight. Please read this guide carefully before installation and use.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always handle firearms and accessories with care.
- Ensure that the firearm is unloaded before installing or adjusting the sight.
- Keep the sight and firearm out of reach of children and unauthorized users.
- Inspect the sight for any damage or defects before use.
- Do not use the sight if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding firearms and accessories.
- Store the sight in a safe place when not in use.

## Specific Safety Precautions for Use

When using the Wilson Combat Rear Battlesight, please take the following precautions:

- Ensure you are familiar with your firearm and its operation before using the sight.
- Use the sight only for its intended purpose; do not modify it in any way.
- Make adjustments to the sight only when the firearm is pointed in a safe direction and unloaded.
- Avoid using the sight in adverse weather conditions that may impair visibility or performance.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.

## Instructions for Installation and Usage

Follow these steps to install and use your Wilson Combat Rear Battlesight:

### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing rear sight from your Colt 2020 Python or Anaconda.
- Align the dovetail of the new rear sight with the dovetail slot on the firearm.
- Gently tap the rear sight into place using a nonmarring tool.
- Ensure the sight is securely installed and does not move.

### 2. Adjustments:

- Use the elevation adjustment to raise or lower the point of aim.
- Use the windage adjustment to shift the point of aim left or right.
- Make adjustments in small increments and test the sighting after each adjustment.

### 3. Usage:

- Aim the firearm at the target and align the rear sight with the front sight.
- Ensure proper sight picture before firing.
- Practice safe shooting habits at all times.

## **Disposal Instructions**

When it comes time to dispose of the rear sight, please follow these guidelines:

- Do not dispose of the sight in regular household waste.
- Check with local authorities for proper disposal methods for firearms accessories.
- If applicable, recycle materials according to local regulations.

## **Contact Information for Further Support**

For any questions or concerns regarding your Wilson Combat Rear Battlesight, please refer to the manufacturer's website or contact customer support directly for assistance. Your safety is our priority, and we are here to help you.

Thank you for your attention to these safety instructions. Enjoy using your new rear sight responsibly!
