

VG6 GAMMA 9MM - VG6 PRECISION AR-15 GAMMA MUZZLE BRAKE BLACK 9MM

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

The VG6 GAMMA 9mm sets a new standard when it comes to recoil management by virtually eliminating any muzzle movement. This muzzle brake / compensator hybrid virtually eliminates recoil and minimizes muzzle movement. The unique combination of both braking and compensating features inspire shooter confidence and allows the shooter to make very fast follow up shots. Its unique porting design has been optimized for the pressures of 9mm, providing a very soft feel in the shoulder thanks to gas ports dimensions that have been strenuously tested to give the utmost control to the muzzle. Features: Material: 17-4ph® Heat Treated Stainless Steel Finish: BLACKNITRIDE™ - Satin Finish(Half Gloss) Surface Hardness: 68RC Caliber: 9mm only Thread: 1/2-28 RH Weight: 4.8oz Includes crush washer

VG6 GAMMA 9MM Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the VG6 GAMMA 9MM Muzzle Brake. This guide provides essential safety instructions and precautions to ensure the safe use of this product. Please read and understand the information provided before using the muzzle brake.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the muzzle brake is compatible with your firearm before installation.
- Store the muzzle brake and all firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of muzzle brakes and firearms.

Specific Safety Precautions for Use

- Only use the VG6 GAMMA 9MM muzzle brake with 9mm caliber firearms.
- Ensure that the firearm is unloaded before installing or removing the muzzle brake.
- Use appropriate eye and ear protection when firing a weapon equipped with the muzzle brake.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the muzzle brake in any way, as this may compromise its safety and performance.
- If you experience excessive recoil or muzzle rise during use, cease firing immediately and inspect the muzzle brake and firearm.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Confirm that the firearm is unloaded and pointed in a safe direction.
2. **Remove Existing Muzzle Device:** If applicable, remove any existing muzzle device from the firearm.
3. **Thread the Muzzle Brake:** Align the VG6 GAMMA 9MM muzzle brake with the threads of the firearm's muzzle.
4. **Tighten:** Handtighten the muzzle brake. Use a crush washer to ensure a proper fit if included.
5. **Check Alignment:** Ensure the muzzle brake is aligned correctly and does not obstruct the barrel.
6. **Final Tightening:** Use a wrench to securely tighten the muzzle brake without overtightening, which may damage the threads.

Usage

- When ready to fire, ensure that the shooting area is clear of obstructions and hazards.
- Maintain a stable shooting stance and grip the firearm firmly.
- After firing, observe the muzzle brake for any signs of damage or abnormal wear.
- Clean the muzzle brake regularly to maintain optimal performance.

Disposal Instructions

- Dispose of the muzzle brake in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available.

Contact Information for Further Support

For any questions or concerns regarding the VG6 GAMMA 9MM muzzle brake, please refer to the manufacturer's contact details included in the product packaging or visit the manufacturer's website.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your VG6 GAMMA 9MM muzzle brake. Always prioritize safety and responsible usage.
