# SFG MLOK Skeleton Forward Grip Safety Instructions

## Introduction

Thank you for choosing the SFG MLOK Skeleton Forward Grip by JMAC Customs. This product is designed for use as a forward grip or handstop and is compatible with MLOK systems. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

To ensure your safety and the proper functioning of the SFG MLOK Skeleton Forward Grip, please adhere to the following guidelines:

- Always inspect the product for any damage or defects before installation.
- Ensure that the grip is securely attached to your firearm before use.
- Use the grip only as intended; do not modify or alter the product.
- Keep the product out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

When using the SFG MLOK Skeleton Forward Grip, please observe the following precautions:

- Ensure that the grip is installed correctly and tightened to the specified torque settings:
  - 4.0 N·m (35 lb·in) for attaching to metal handguards.
  - 1.7 N·m (15 lb·in) for attaching to polymer handguards.
- Do not exceed the recommended torque specifications, as this may damage the grip or the firearm.
- Be aware of the grip's lightweight design; ensure that it does not interfere with your control of the firearm.
- Avoid placing your hand in front of the muzzle when using the firearm.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the SFG MLOK Skeleton Forward Grip:

### 1. Preparation:

- Gather necessary tools, including a torque wrench and the included mounting hardware.
- Ensure that your firearm is unloaded and in a safe condition before proceeding.

### 2. Installation:

- Locate the MLOK slots on your handguard.
- Align the grip with the desired MLOK slots, ensuring it fits securely.
- Insert the Tslot nuts into the MLOK slots.
- Use the provided screws to attach the grip to the handguard.
- Tighten the screws to the specified torque settings based on the handguard material:
  - 4.0 N·m (35 lb·in) for metal handguards.
  - 1.7 N·m (15 lb·in) for polymer handguards.

### 3. Usage:

- Use the grip as a forward grip or handstop according to your preference.

- Maintain a firm grip while handling the firearm to ensure stability and control.

## Disposal Instructions

When disposing of the SFG MLOK Skeleton Forward Grip, please follow these guidelines:

- Dispose of the product in accordance with local regulations for waste disposal.
- If the product is damaged or no longer usable, consider recycling the aluminum material where possible.

## Contact Information for Further Support

For any questions or concerns regarding the SFG MLOK Skeleton Forward Grip, please consult the manufacturer's contact information provided with the product packaging.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your SFG MLOK Skeleton Forward Grip. Always prioritize safety and compliance with local laws when using firearm accessories. Thank you for your attention to these guidelines.
