Safety Instruction Guide for FIELD GUIDE FOR AR15

Introduction

Thank you for choosing the FIELD GUIDE FOR AR15. This compact guide is designed to assist you in understanding and maintaining your AR15 rifle safely and effectively. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure you are in a safe environment when handling your firearm.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm securely and out of reach of children.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when cleaning or shooting.
- Be aware of your surroundings and ensure a clear line of sight when shooting.

Specific Safety Precautions for Use

- Before handling your AR15, ensure that the firearm is unloaded.
- Always use the correct ammunition specified for your AR15.
- Do not modify your firearm without consulting a qualified gunsmith.
- When cleaning your firearm, ensure that you are using the correct cleaning products and methods as outlined in this guide.
- Avoid using solvents or oils that are not specifically designed for firearms, as they may cause damage.
- Keep the guide in a safe location away from moisture and extreme temperatures to ensure its durability.

Instructions for Installation and Usage

• Field Stripping Your AR15:

1. Ensure the firearm is unloaded.
2. Follow the stepbystep instructions in the guide for disassembly.
3. Keep the parts organized to ensure easy reassembly.

• Cleaning Your AR15:

1. Use the detailed scraping instructions provided in the guide to clean carbon and fouling from the bolt carrier group surfaces.
2. Use oil and solvent resistant pages to protect the guide while cleaning.
3. Ensure all parts are dry before reassembly.

• Reassembling Your AR15:

1. Follow the visual instructions in the guide for reassembly.
2. Doublecheck that all parts are correctly seated and secured.
3. Perform a function check to ensure the firearm operates correctly.

Disposal Instructions

- Dispose of cleaning materials and solvents according to local regulations.
- Ensure that any damaged or worn components of your firearm are disposed of safely and responsibly.
- Do not dispose of firearms or ammunition in regular trash. Follow local laws regarding the disposal of firearms.
