MLOK Rail Covers Safety Instructions

Introduction

Thank you for choosing the MLOK Rail Covers by B5 Systems. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific rail system before installation.
- Always inspect the rail covers for any damage or defects before use.
- Keep the rail covers out of reach of children to prevent accidents.
- Use the rail covers only for their intended purpose as specified in this guide.
- In case of any discomfort or injury while using the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to loss of grip or slippage during use. Prolonged exposure to extreme heat may affect the material properties.
- **Avoiding Hazards:** Ensure the rail covers are securely pressed into place before use. Do not expose the rail covers to open flames or extreme heat sources. Regularly check the rail covers for signs of wear and replace them if necessary.

Instructions for Installation and Usage

1. Installation:

- Clean the surface of the rail to ensure it is free from dirt and debris.
- Align the rail cover with the MLOK® sections on your rail.
- Press the rail cover firmly into the MLOK® sections until it is securely in place.
- Ensure that each rail cover fills three MLOK® sections for optimal fit.

2. Usage:

- Use the rail covers to enhance grip and reduce heat transfer during operation.
- Check the rail covers periodically during use to ensure they remain secure.
- If you notice any slippage or damage, remove the rail covers and reinstall or replace them as needed.

Disposal Instructions

- Dispose of the rail covers in accordance with local waste disposal regulations.
- Do not incinerate the product, as it may release harmful substances.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for following these safety instructions. Your safety is our priority.
