# SLIDE PARTS KIT FOR GLOCK 17 Safety Instruction Guide

## Introduction

Thank you for purchasing the SLIDE PARTS KIT FOR GLOCK 17 from BROWNELLS. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this guide carefully before using the kit.

## General Safety Guidelines

- Ensure that you are of legal age to purchase and use firearm accessories in your jurisdiction.
- Always handle firearms and firearm accessories with care and respect.
- Store the kit and all components in a secure location, out of reach of children and unauthorized users.
- Inspect all parts for damage or defects before installation. Do not use damaged components.
- Follow all local laws and regulations regarding the use and modification of firearms.
- If you are unsure about any aspect of the installation or use, seek assistance from a qualified gunsmith.

## Specific Safety Precautions for Use

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Before beginning installation, ensure that the firearm is unloaded and the magazine is removed.
- Wear appropriate safety gear, such as safety glasses and gloves, when handling firearm parts.
- Be cautious of sharp edges on parts, especially during installation and handling.
- Ensure that the workspace is clean and free from distractions when working on the firearm.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that you have all the components from the kit:
  - Extractor
  - Extractor Depressor Plunger
  - Extractor Depressor Plunger Spring
  - SpringLoaded Bearing
  - Slide Cover Plate
  - Billet Firing Pin
  - Spacer Sleeve
  - Firing Pin Spring
  - Spring Cups
  - Firing Pin Safety
  - Firing Pin Safety Spring
  - Channel Liner
  - Channel Liner Tool
  - Guide Rod and Recoil Spring Assembly
- Gather necessary tools such as a punch set, screwdriver, and any other tools required for your specific firearm model.

### 2. Installation Steps:

- Carefully follow the manufacturer's instructions for disassembling your Glock 17.
- Using the channel liner tool, install the channel liner according to the provided instructions.
- Install the extractor and the extractor depressor plunger, ensuring proper orientation for each

component.

- Insert the springloaded bearing and secure it in place.
- Install the billet firing pin, ensuring it fits correctly into the slide.
- Reassemble the slide and ensure all parts are fitted correctly and securely.
- Doublecheck that the firearm is functioning properly before use.

### **3. PostInstallation:**

- After installation, conduct a function check to ensure that all components operate as intended.
- If any issues arise, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of parts in regular trash; contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the SLIDE PARTS KIT FOR GLOCK 17, please refer to the manufacturer's website or customer support resources for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the SLIDE PARTS KIT FOR GLOCK 17. Always prioritize safety and seek professional assistance if needed. Thank you for your attention to these important safety measures.
