

BRN-15 UPPER RECEIVERS 5.56MM NATO - BROWNELLS BRN-15 5.56MM 16" BBL .750" GAS BLOCK UPPER RECEIVER

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Manufactured in the US with the highest quality components, the BRN-15 Upper Receiver Groups are great starts for your next build. Pick your preferred bolt carrier group and charging handle to complete. The BRN-15 Upper Receiver Groups feature a 5.56x45mm NATO chambered, nitride finished barrel, available in several popular lengths. Models are available in a Government, medium profile barrel, with the 16 inch also available in a lightweight contour. Barrels feature a gas block dimple, that the rear gas block screw securely engages. All barrels are stress relieved. Unique MLOK handguard extends past the gas block, to provide as much usable real estate as possible. Anti-rotation tabs at the rear of the handguard engage the upper receiver, preventing any cant in relation to the receiver picatinny rail. Large dual screws clamp and pass through the properly torqued barrel nut to ensure the handguard will not slip forward. Large vents are placed towards the rear, to allow both the barrel and handguard to cool more rapidly. Forged Mil-Spec type upper receiver features M4 feed ramps, ejection port cover and forward assist. Forward assist pin is knurled at the front, to ease future swaps. 4150 CMV (Chrome Moly Vanadium) Barrel Chambered in 5.56x45mm NATO 1-7 Barrel Twist 1/2-28 Muzzle Threads A2 Flash Hider Forged 7075-T6 Upper Receivers Hardcoat Anodized Upper Receiver M4 Feedramps in Upper & Barrel Extension Barrels are marked "5.56 NATO 1:7 4150CMV SR" 100% American Made Please note, the 16 inch lightweight features a lock nut on the muzzle device. To remove, secure the lock nut with a wrench, turn towards the rear, and unscrew the flash hider. Does not come with bolt carrier group or charging handle. All NFA Rules Apply.

BRN15 Upper Receiver Safety Instruction Guide

Introduction

Thank you for choosing the BRN15 Upper Receiver. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your product. Please read this document carefully before using the upper receiver and keep it for future reference.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat the upper receiver as if it is loaded, even when you believe it is not.
- Store the upper receiver in a secure location, out of reach of children and unauthorized users.
- Inspect the upper receiver before each use for any signs of damage or wear.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling the upper receiver.
- Be aware of your surroundings and ensure a safe environment when using the upper receiver.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the upper receiver is compatible with your lower receiver and other components.
- Do not exceed the manufacturer's recommended specifications for ammunition types and loads.
- Avoid using the upper receiver in adverse weather conditions that may affect its performance.
- Always follow local laws and regulations regarding the use of firearms and firearm components.
- When cleaning or performing maintenance on the upper receiver, ensure that it is unloaded and the muzzle is pointed in a safe direction.
- Be cautious of hot surfaces, especially after firing, as the barrel and handguard can become extremely hot.
- Keep fingers away from the trigger until ready to fire.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure you have the necessary tools and components for installation, including a compatible lower receiver, bolt carrier group, and charging handle.
- Work in a clean and organized environment to prevent losing components.

2. Attaching the Upper Receiver:

- Align the upper receiver with the lower receiver.
- Insert the takedown pins to secure the upper receiver to the lower receiver.
- Ensure that the pins are fully engaged and the upper receiver is firmly attached.

3. Installing the Bolt Carrier Group and Charging Handle:

- Insert the charging handle into the upper receiver.
- Place the bolt carrier group into the upper receiver, ensuring proper alignment with the charging handle.
- Push the bolt carrier group fully into the upper receiver until it is securely in place.

Usage

1. Loading Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Load the magazine with the appropriate ammunition type.
- Insert the magazine into the lower receiver until it clicks into place.

2. Firing:

- Ensure the safety is in the "fire" position.
- Aim at the intended target and ensure a clear line of sight.
- Pull the trigger to fire, and follow all safety precautions.

3. PostUse:

- After use, always clean the upper receiver according to the manufacturer's recommendations.
- Store the upper receiver in a secure location.

Disposal Instructions

- Dispose of the upper receiver in accordance with local regulations and guidelines.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for specific disposal instructions related to firearm components.

Contact Information for Further Support

For safety inquiries or further support, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.
