

BRN-15 UPPER RECEIVERS 5.56MM NATO - BROWNELLS BRN-15 5.56MM 13.7" BBL .750" GAS BLOCK UPPER RECEIVER

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Manufactured in the US with the highest quality components, the BRN-15 Upper Receiver Groups are great starts for your next build. Pick your preferred bolt carrier group and charging handle to complete. The BRN-15 Upper Receiver Groups feature a 5.56x45mm NATO chambered, nitride finished barrel, available in several popular lengths. Models are available in a Government, medium profile barrel, with the 16 inch also available in a lightweight contour. Barrels feature a gas block dimple, that the rear gas block screw securely engages. All barrels are stress relieved. Unique MLOK handguard extends past the gas block, to provide as much usable real estate as possible. Anti-rotation tabs at the rear of the handguard engage the upper receiver, preventing any cant in relation to the receiver picatinny rail. Large dual screws clamp and pass through the properly torqued barrel nut to ensure the handguard will not slip forward. Large vents are placed towards the rear, to allow both the barrel and handguard to cool more rapidly. Forged Mil-Spec type upper receiver features M4 feed ramps, ejection port cover and forward assist. Forward assist pin is knurled at the front, to ease future swaps. 4150 CMV (Chrome Moly Vanadium) Barrel Chambered in 5.56x45mm NATO 1-7 Barrel Twist 1/2-28 Muzzle Threads A2 Flash Hider Forged 7075-T6 Upper Receivers Hardcoat Anodized Upper Receiver M4 Feedramps in Upper & Barrel Extension Barrels are marked "5.56 NATO 1:7 4150CMV SR" 100% American Made Please note, the 16 inch lightweight features a lock nut on the muzzle device. To remove, secure the lock nut with a wrench, turn towards the rear, and unscrew the flash hider. Does not come with bolt carrier group or charging handle. All NFA Rules Apply.

BRN15 Upper Receiver Safety Instruction Guide

Introduction

Thank you for choosing the BRN15 Upper Receiver. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always treat the BRN15 Upper Receiver as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the upper receiver and any associated components in a secure location, away from children and unauthorized users.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and ear protection during installation and use.
- Be aware of your surroundings and ensure that you are in a safe environment when handling the upper receiver.
- Regularly inspect the upper receiver for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure the upper receiver is compatible with your firearm before installation.
- Only use ammunition that is specified for the BRN15 Upper Receiver (5.56x45mm NATO).
- Avoid using damaged or reloaded ammunition, as it may cause malfunctions or injuries.
- Do not modify the upper receiver in any way that could compromise its safety or performance.
- Always ensure that the bolt carrier group and charging handle are properly installed before use.
- If you experience any malfunctions or unusual behavior while using the upper receiver, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before beginning installation, ensure that the firearm is unloaded and pointed in a safe direction.
2. **Prepare Workspace:** Use a clean, welllit area with sufficient space to work.
3. **Install the Upper Receiver:**
 - Align the upper receiver with the lower receiver of your firearm.
 - Push the two receivers together until they are fully engaged.
 - Secure the connection with the appropriate takedown pins.
4. **Attach the Bolt Carrier Group and Charging Handle:**
 - Insert the charging handle into the upper receiver.
 - Place the bolt carrier group into the upper receiver and ensure it is locked in place.

Usage

- Always follow proper shooting practices and firearm safety rules when using the BRN15 Upper Receiver.
- Ensure that the muzzle is pointed in a safe direction before loading.
- Use the firearm in a controlled environment, such as a shooting range.
- Be aware of the target and what lies beyond it when firing.

Disposal Instructions

- Dispose of the upper receiver in accordance with local laws and regulations.
- Do not dispose of the upper receiver in regular household waste.
- Contact local authorities or a licensed firearms dealer for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please reach out to the appropriate authorities or your local firearms dealer. Ensure you have the necessary information regarding your product at hand for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your BRN15 Upper Receiver. Always prioritize safety and responsibility when handling firearms.
