

BCMGUNFIGHTER COMPENSATOR- MOD 6 5.56MM - BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 6- 5.56 (1.75" OPEN TIME)

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Based off feedback from the Gunfighters, industry professionals, and Bravo's customers, BCM has designed a new generation of compensators. These compensators were designed to reduce muzzle rise, flash signature, noise, and lateral pressure for tactical applications. These are lifesaving tools for your professional grade weaponry. The BCMGUNFIGHTER™ Compensator Mod 6-5.56 Tuned slots and ports offer compensation of muzzle-rise and flash reduction. Open time design offers optimal flash hiding No ground-facing openings; reduces unwanted kick-up of dust or debris when shooting prone or from a barricade Designed to have less side blast and noise associated with typical compensators. Nitride treated for maximum corrosion resistance Includes a Crush Washer Should be installed by a qualified armorer. Threaded 1/2 x 28 for 5.56mm AR15 platforms. Please note: The combustion gasses exiting the muzzle of a rifle are extremely hot, traveling at extreme velocity, and contains not only burning gasses but solid particles of unburnt powder as well as metals from the projectile. Due to the inherent nature of steel, it is nearly impossible to survive unaffected in this environment when directly exposed. The high temperatures begin to make the steel more malleable, which allows solid particles and pressure waves to deform and erode surfaces upon exit.

Attributes

- Name: [BRAVO COMPANY BCMGUNFIGHTER COMPENSATOR MOD 6- 5.56 \(1.75" OPEN TIME\)](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 430105162
- Mfr. No.: BCM-GFC-MOD-6-556
- Caliber: 22 Caliber (.223-.224)
- Finish: Black
- Material: Steel
- Threads: 1/2-28
- Weapon type: AR-15
- Delivery weight: 0.071kg
- Shipping height: 32mm

BCMGUNFIGHTER Compensator Mod 6 Safety Instruction Guide

Introduction

Thank you for choosing the BCMGUNFIGHTER Compensator Mod 6 for your firearm. This product is designed to enhance your shooting experience by reducing muzzle rise and flash signature. Please read this safety instruction guide carefully to ensure safe and proper use of the compensator.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is in good working condition before use.
- Wear appropriate eye and ear protection when shooting.
- Store the compensator and firearm securely, out of reach of children and unauthorized users.
- Regularly check for product recalls and safety updates.

Specific Safety Precautions for Use

- **Heat Hazard:** The compensator can become extremely hot during and after use. Avoid direct contact with the compensator immediately after shooting.
- **Muzzle Blast:** The compensator is designed to reduce side blast and noise but may still produce significant muzzle blast. Ensure that bystanders are at a safe distance.
- **Debris and Particles:** The combustion gases can expel solid particles and debris. Always wear protective gear and ensure that your shooting area is clear of bystanders.
- **Installation:** The compensator should only be installed by a qualified armorer to avoid improper fitting which can lead to malfunctions or accidents.
- **Compatibility:** Ensure that the compensator is compatible with your firearm's specifications before installation.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the muzzle threads to remove any debris or old thread locker.
- Install the BCMGUNFIGHTER Compensator Mod 6 by threading it onto the barrel until it is snug.
- Use a crush washer to ensure a secure fit.
- Confirm that the compensator is aligned correctly and securely fastened.

2. Usage:

- Load your firearm only when you are ready to shoot.
- Always verify that the compensator is properly installed before firing.
- Follow standard shooting practices and safety protocols.
- After shooting, allow the compensator to cool before handling.

Disposal Instructions

- Dispose of the compensator and any related packaging materials in accordance with local regulations.
- Do not dispose of the compensator in regular household waste if it is damaged or defective.

- Check with local authorities for proper disposal methods for firearms accessories.

Contact Information for Further Support

For any inquiries about safety, installation, or product performance, please reach out to the manufacturer or your local dealer. Ensure that you have the product details available for reference.

By following these guidelines, you can help ensure a safe and enjoyable experience with your BCMGUNFIGHTER Compensator Mod 6. Always prioritize safety and adhere to local laws and regulations regarding firearm use. Thank you for your attention to these important safety instructions.
