

GOLD DOT 264 CALIBER/6.5MM (0.264") RIFLE BULLETS - SPEER 264 CALIBER/6.5MM (0.264") 140GR GOLD DOT SOFT POINT 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Law enforcement professionals trust the Gold Dot® bullet design with their lives every day. Now Speer® offers consumers the same performance in a line of personal protection rifle bullets. Their exclusive manufacturing process bonds the uniform jacket to the core one atom at a time, ensuring proper expansion and nearly 100 percent weight retention. The result is superb accuracy and immediate, threat-stopping performance. Personal Protection rifle bullets in a variety of popular calibers Gold Dot technology virtually eliminates core/jacket separations and produces a very uniform jacket. Extreme accuracy. Reliable performance to eliminate any threat. Consistent penetration and expansion through common barriers.

Safety Instruction Guide for GOLD DOT 264 CALIBER/6.5MM RIFLE BULLETS

Introduction

Thank you for choosing Speer Gold Dot 264 Caliber/6.5mm (0.264") Rifle Bullets. These bullets are designed for personal protection and law enforcement use, providing exceptional accuracy and performance. This safety instruction guide is intended to inform you about safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Gold Dot bullets by following all guidelines. These bullets are nonfood products and should be treated with care.
- **Enhanced Recalls:** Be aware that if any safety issues arise, standardized recall notices will be issued. Consumers will be provided with free remedies for dangerous products.
- **Online Shopping:** If you purchase these bullets online, you are entitled to the same safety protections as if you bought them in a physical store.
- **Special Consumer Focus:** Extra precautions are recommended for vulnerable groups, including children. Keep all ammunition out of reach of children.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU-based contact point.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform, which provides timely updates.

Specific Safety Precautions for Use

- **Handling:**
 - Always handle bullets with care. Treat them as if they are live ammunition.
 - Avoid exposing the bullets to moisture or extreme temperatures.
- **Storage:**
 - Store the bullets in a cool, dry place away from direct sunlight.
 - Keep the ammunition in its original packaging until ready to use.
- **Usage:**
 - Only use these bullets in firearms that are specifically designed for 264 caliber/6.5mm ammunition.
 - Follow all manufacturer instructions for your firearm when loading and firing.
- **Disposal:**
 - Do not dispose of bullets in regular waste. Follow local regulations for hazardous waste disposal.
 - If you have unused or expired ammunition, consult local authorities for proper disposal methods.

Instructions for Installation and Usage

- **Installation:**
 - Ensure that your firearm is unloaded before handling the bullets.
 - Check the firearm's chamber and magazine to confirm it is clear of any ammunition.
- **Loading:**
 - Carefully load the bullets into the magazine according to the firearm's user manual.
 - Ensure that the bullets are seated properly to avoid jams or misfires.
- **Firing:**
 - Always wear appropriate eye and ear protection when firing.
 - Ensure that you are in a safe and controlled environment, away from any bystanders.
- **PostFiring:**
 - After firing, inspect the firearm for any signs of malfunction or damage.

- Clean the firearm as per the manufacturer's guidelines to maintain performance and safety.

Disposal Instructions

- **Disposal of Unused Bullets:**

- Contact local law enforcement or waste management authorities for guidance on how to properly dispose of unused or expired ammunition.

- **Recycling:**

- Some components of ammunition may be recyclable. Check with local recycling centers for their policies on ammunition disposal.

- **Environmental Considerations:**

- Never dispose of bullets in waterways or public land. This can lead to environmental contamination.

Contact Information for Further Support

For any further support or inquiries regarding safety, please refer to the designated EU contact point provided with your product documentation. It is important to stay informed and report any unsafe products or incidents to the relevant authorities.

By following these safety instructions, you help ensure not only your safety but also the safety of those around you. Thank you for your attention to these important guidelines.
