

S15 9MM LUGER MAGAZINE FOR GLOCK 43X/48 GEN3 - SHIELD ARMS S15 9MM LUGER 15RD MAGAZINE FOR GLOCK 43X/48 GEN3 NICKEL

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

The S15 magazine is a patent-pending, flush-fitting 15 round magazine for the Glock® 43X and Glock® 48. The S15 is a steel magazine, and is the same length as the OEM Glock® 10 round magazine, but holds an additional 5 rounds. Increased Capacity, Same Reliability What changed with the gen 3 magazine? We made the following improvements: New US-based manufacturer Modular tooling, allowing us to make the S15 and S10 magazines simultaneously Raised ribs on the back of the magazine allows us to fully match the OEM magazine position in the mag well, which should eliminate any tolerance stacking that results from Glock frame variations New steel, new coating, new heat treat process - our new steel is slightly thicker, tougher, and now comes with a new standard black nitrocarburized QPQ finish for a high degree of corrosion resistance. Mag Catch Requirement It is required to swap out your plastic OEM mag catch with either our standard steel mag catch or our premium steel mag catch. Here's why. If you don't swap your mag catch you may have reliability issues. If you use another manufacturer's mag catch you may have reliability issues. S15 magazines were designed to work with Shield Arms steel mag catches. Specifications 15 round capacity Same length as an OEM Glock 43X/48 magazine Easy to remove, impact resistant base pad High lubricity finish options Made in the USA Patent-pending

S15 9MM Luger Magazine Safety Instruction Guide

Introduction

Thank you for choosing the S15 9MM Luger Magazine for your Glock® 43X/48. This guide provides important safety information and instructions to ensure safe and effective use of the magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the S15 magazine by following all instructions and guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about any recalls related to this product. Check the EU's Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is intended for adult users. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the EU-based contact provided by the manufacturer or seller.
- **Rapid Alerts:** Be aware of potential updates regarding unsafe products via the Safety Gate system.

Specific Safety Precautions for Use

- **Mag Catch Requirement:** Always replace your plastic OEM mag catch with either the standard steel mag catch or the premium steel mag catch provided by Shield Arms to avoid reliability issues.
- **Compatibility:** The S15 magazine is designed to work exclusively with Shield Arms steel mag catches. Using other manufacturers' mag catches may result in performance issues.
- **Inspection:** Regularly inspect the magazine for any signs of wear, damage, or corrosion. Do not use a damaged magazine.
- **Loading:** Ensure the magazine is loaded correctly. Follow the instructions for loading to prevent jams or misfires.
- **Storage:** Store the magazine in a cool, dry place away from direct sunlight and moisture to maintain its integrity.

Instructions for Installation and Usage

1. Installation of Mag Catch:

- Remove the existing plastic OEM mag catch from your Glock® 43X/48.
- Install the standard or premium steel mag catch provided by Shield Arms according to the manufacturer's instructions.

2. Loading the Magazine:

- Ensure the magazine is clean and free from debris.
- Load the magazine by pressing down on the follower and inserting rounds one at a time. Make sure each round is seated properly.
- Do not exceed the magazine's 15-round capacity.

3. Inserting the Magazine:

- Align the magazine with the magazine well of your Glock® 43X/48.
- Firmly push the magazine into the well until it locks into place. Ensure it is secure.

4. **Removing the Magazine:**

- To remove the magazine, press the mag catch and pull the magazine out of the magazine well.

5. **Using the Firearm:**

- Always follow firearm safety rules when using your Glock® 43X/48. Treat every firearm as if it is loaded.
- Ensure you are in a safe environment when handling or firing the firearm.

Disposal Instructions

- **Disposal of the Magazine:** If the magazine is damaged or no longer in use, dispose of it responsibly. Check local regulations for proper disposal methods for firearms accessories.
- **Recycling:** If applicable, recycle the magazine according to local recycling guidelines for metal products.

Contact Information for Further Support

For any questions or concerns regarding the S15 9MM Luger Magazine, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your S15 9MM Luger Magazine. Thank you for your attention to safety.
