# BUSHING FULL LENGTHULTRA MICROMETER DIE SET SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Bushing Full LengthUltra Micrometer Die Set from Forster Products, Inc. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the die set for any visible damage before use.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using the die set.
- Maintain a clean and organized workspace to prevent accidents.
- Be aware of your surroundings and ensure that no unauthorized persons are nearby while using the die set.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Sharp edges may be present on the die set. Handle with care to avoid cuts.
- Improper use may result in injury or damage to the equipment.

### • Avoiding Hazards:

- Always follow the manufacturer's instructions for setup and operation.
- Do not exceed the recommended pressure or force when using the die set.
- Ensure that the die set is securely mounted before use to prevent slippage.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18. Ensure adult supervision when used by minors.

## Instructions for Installation and Usage

### • Installation:

1. Carefully unpack the die set from the Deluxe Die Box.
2. Inspect all components for any signs of damage.
3. Securely mount the FullLength Bushing Die on your reloading press.
4. Attach the Bench Rest® Ultra Micrometer Seater Die to the press as per the manufacturer's instructions.

### • Usage:

1. Adjust the dies according to the specifications for the 7mm PRC cartridge.
2. Use the appropriate tools to ensure correct adjustments.
3. Follow standard reloading procedures when using the die set.
4. Regularly check the setup for stability and alignment during use.

5. After use, clean the dies to maintain their performance and longevity.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- If the die set becomes unusable, consult local waste management services for proper disposal methods.
- Do not dispose of the die set in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please refer to the contact details provided by Forster Products, Inc. on their official website or product packaging.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your Bushing Full Length Ultra Micrometer Die Set. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
