# Safety Instruction Guide for BUSHING FULL LENGTH ULTRA MICROMETER DIE SET

## Introduction

Thank you for choosing the BUSHING FULL LENGTH ULTRA MICROMETER DIE SET by Forster Products, Inc. This product is designed for precision reloading of 6mm Creedmoor cartridges. To ensure your safety and proper use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Ensure that you are familiar with the operation of reloading equipment before use.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading tools and materials.
- Keep the workspace clean and organized to avoid accidents.
- Store the die set in a secure location, out of reach of children and pets.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Handle all components of the die set with care to avoid injury.
- Do not modify the die set in any way, as this may lead to unsafe operation.
- Use only the recommended cartridges and materials with this die set.
- Follow all local laws and regulations regarding reloading and ammunition.
- Ensure that your work area is wellventilated to avoid inhalation of dust or fumes.
- Always doublecheck measurements before proceeding with reloading to avoid dangerous overcharges.

## Instructions for Installation and Usage

### 1. Installation of the FullLength Bushing Die:

- Remove the die from the packaging and inspect for any damage.
- Install the die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the desired setting using the provided adjustment tools.

### 2. Installation of the Ultra Micrometer Seater Die:

- Remove the seater die from the packaging and inspect for any damage.
- Install the seater die into the reloading press as per the manufacturer's instructions.
- Adjust the seating depth using the micrometer feature to achieve the desired bullet seating depth.

### 3. Reloading Process:

- Prepare your reloading components, including cases, primers, powder, and bullets.
- Follow the specific reloading data for 6mm Creedmoor cartridges to ensure safe and accurate loads.
- After reloading, inspect each cartridge for proper assembly before use.

## Disposal Instructions

- Dispose of any unused or expired reloading materials according to local regulations.
- Recycle packaging materials where possible.

- Do not dispose of hazardous materials in regular trash; follow local hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the BUSHING FULL LENGTH ULTRA MICROMETER DIE SET, please refer to the manufacturer's contact information provided on the packaging or visit the Forster Products, Inc. website for additional resources and support.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience with the BUSHING FULL LENGTH ULTRA MICROMETER DIE SET. Thank you for prioritizing safety in your reloading practices.
