

MOD 2 SOPMOD STOCK - BRAVO COMPANY MOD 2 SOPMOD STOCK KIT WIDEBODY FLAT DARK EARTH

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

BCM Stock Kit w/ Mod 2 stock and MK2 RMS INCLUDES: BCM Stock Mod 2 - Black BCM MK2 Receiver Extension (approximately 3/4" longer than carbine), 7076T6, 8 position, Mil-Spec diameter Mil-Spec M16A4 Rifle Action Spring BCM MK2 Mod 1 - T0 Buffer (weight = approximately 3.8oz) BCM EPM4 End Plate (include mount for QD swivel) Locking Nut (Castle Nut) M4 FIT LIKE A GLOVE, BUILT LIKE A TANK Made by Americans in Hartland, WI - the BCM® Mod 2 stock is an improvement over the baseline M4 accessory with enhanced ergonomics, and next-level durability. Recontoured into a patented (United States Patent Number: D901616) semi-clubfoot design, the Mod 2 is fits on Mil-Spec carbine receiver extensions, and optimized for intermediate length receiver extensions (MK2, AR10, A5). These improved lines also enhance shooting in the prone position while remaining snag free, with no edges to catch or tangle in slings, antenna, or other PPE. A SCION OF CONFLICT DELIVERING UNSURPASSED PERFORMANCE Retaining the patented* internal latch system and the ambidextrous rotation limited QD interface, the BCM Mod 2 Stock features an end user removable buttpad, an improved VBOST (Vehicle Borne Operations Sling Tab) sling retention point, "plus two additional web sling attachments slots. United States Patent Number: 9,109,855 ADAPT TO YOUR MISSION MODULAR BUTTPAD Selecting between a rubberized pad, traditional in light infantry operations; or solid diamond textured non-slip surface, optimized for high-ready weapons manipulation, the removable Modular Buttpad is capable of enabling both techniques. VBOST The VBOST is an interface that provides multiple positions for retention bands when the weapon system is run with the sling "S-folded" against the stock. Typically configured in this manner for vehicle operations or concealed "low vis" movement, the VBOST creates options for the end user that can be vital in critical life saving situations. MADE IN AMERICA All BCM components and accessories unite state of the art manufacturing with lightweight and durable materials to ensure components that last a lifetime, performing far beyond standards established nearly six decades ago. Like all BCM rifles and accessories, the BCM Mod 2 Stock is designed and made in the USA. Offered in two configurations: Stock only or stock kit with Mk2 RMS hardware.

Safety Instruction Guide for MOD 2 SOPMOD STOCK BRAVO COMPANY MOD 2 SOPMOD STOCK KIT WIDEBODY FLAT DARK EARTH

Introduction

Thank you for choosing the MOD 2 SOPMOD Stock Kit from Bravo Company. This guide provides important safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in this manual.
- Always follow local laws and regulations regarding firearm accessories.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to product failure.
- Using incompatible components can affect performance and safety.
- Failure to follow instructions may result in injury or damage.

- **Avoiding Hazards:**

- Always ensure that the stock is securely attached to the receiver extension before use.
- Do not exceed the manufacturer's recommended weight limit for attachments.
- Use the product only with compatible firearms as specified by the manufacturer.
- Do not modify the product in any way that could compromise safety.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under the age of 18.
- Ensure that adult supervision is provided when the product is in use.

Instructions for Installation and Usage

- **Installation Instructions:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing stock from the receiver extension.
3. Align the BCM MK2 Receiver Extension with the stock and secure it using the provided locking nut (castle nut).
4. Attach the BCM EPM4 End Plate, ensuring it is properly mounted for QD swivel.
5. Install the BCM Stock Mod 2 onto the receiver extension, ensuring it is locked in place.
6. Adjust the stock to the desired length by utilizing the 8 position settings.

- **Usage Instructions:**

- Familiarize yourself with the features of the stock, including the ambidextrous QD interface and the VBOST.
- When using the VBOST, ensure that retention bands are correctly positioned to avoid accidental release during operation.
- Practice using the stock in a safe environment to become accustomed to its handling and features.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling components where possible to minimize environmental impact.
