

ACTION ENHANCEMENT KIT FOR STANDARD/SLIM FRAME GLOCK® - APEX TACTICAL SPECIALTIES INC POLYMER ACTION ENHANCEMENT TRIGGER KIT SLIM FRAME RED

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for standard frame Slim Frame Glock® pistols features the Apex Polymer Action Enhancement Trigger, with Apex Trigger Bar, and Performance Connector. The kit is a direct drop-in replacement of the factory trigger, trigger bar and connector, this kit provides for a smoother trigger pull with reduced travel, reduced reset, and a crisp break at 4.5lbs (Average). The Trigger Bar and Trigger Connector are coated in Nickel-Teflon for a lifetime of smooth operation and corrosion resistance. 100% made in the USA. Expected Results: Direct drop-in replacement of factory polymer trigger and connector. Smooths uptake and reset. Reduces trigger pre-travel, overall travel and reset distance. Crisp trigger break at 4.5lbs. Center mounted pivoting safety maintains factory safety values. Applicable to What Guns: For use in the following Glock® pistols: G43, G43X, G48 NOT for use in the Glock® 42

Action Enhancement Kit Safety Instruction Guide

Introduction

Thank you for choosing the Action Enhancement Kit for your Slim Frame Glock® pistol. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this document carefully before using the kit.

General Safety Guidelines

- Ensure that the product is compatible with your specific Glock® model (G43, G43X, G48) before installation.
- Always handle firearms with care and follow all safety protocols associated with firearm use.
- Keep the Action Enhancement Kit and all related components out of reach of children and unauthorized users.
- Regularly inspect the kit and your firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recalls or safety updates by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Product Compatibility:** This kit is designed for use with standard frame Slim Frame Glock® pistols only. Do not attempt to use it with Glock® 42 or any other models.
- **Installation:** Only install the kit if you are familiar with firearm maintenance and safety. If unsure, consult a qualified gunsmith.
- **Trigger Safety:** The centermounted pivoting safety is designed to maintain factory safety values. Always ensure it is functioning correctly before use.
- **Trigger Pull:** The kit provides a smoother trigger pull at an average of 4.5 lbs. Be aware of this change and practice safe handling.
- **Corrosion Resistance:** The components are coated in NickelTeflon for durability. However, ensure regular maintenance to prevent corrosion.

Instructions for Installation and Usage

1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (e.g., punch, hammer, etc.).

2. Installation Steps:

- Remove the factory trigger, trigger bar, and connector from your Glock®.
- Carefully install the Apex Polymer Action Enhancement Trigger in place of the factory trigger.
- Replace the factory trigger bar with the Apex Trigger Bar.
- Install the Performance Connector to ensure proper function.
- Verify that all components are securely in place and functioning correctly.

3. PostInstallation Check:

- After installation, perform a function check to ensure the trigger operates smoothly.
- Test the trigger pull and reset to confirm the desired performance.

4. Usage:

- Always adhere to firearm safety rules while using your Glock® with the installed kit.
- Regularly check for any signs of wear or malfunction.

Disposal Instructions

- Dispose of the Action Enhancement Kit and any replaced components in accordance with local regulations.
- Do not dispose of firearm components in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For further inquiries or support, please refer to the manufacturer's website or customer service resources.

Thank you for prioritizing safety while enhancing your firearm's performance. Enjoy your improved shooting experience with the Action Enhancement Kit!
