

ACTION ENHANCEMENT KIT FOR STANDARD/SLIM FRAME GLOCK® - APEX TACTICAL SPECIALTIES INC POLYMER ACTION ENHANCEMENT TRIGGER KIT SLIM FRAME FDE

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

The Action Enhancement Kit for standard frame Slim Frame Glock® pistols features the Apex Polymer Action Enhancement Trigger, with Apex Trigger Bar, and Performance Connector. The kit is a direct drop-in replacement of the factory trigger, trigger bar and connector, this kit provides for a smoother trigger pull with reduced travel, reduced reset, and a crisp break at 4.5lbs (Average). The Trigger Bar and Trigger Connector are coated in Nickel-Teflon for a lifetime of smooth operation and corrosion resistance. 100% made in the USA. Expected Results: Direct drop-in replacement of factory polymer trigger and connector. Smooths uptake and reset. Reduces trigger pre-travel, overall travel and reset distance. Crisp trigger break at 4.5lbs. Center mounted pivoting safety maintains factory safety values. Applicable to What Guns: For use in the following Glock® pistols: G43, G43X, G48 NOT for use in the Glock® 42

Action Enhancement Kit Safety Instruction Guide

Introduction

Thank you for purchasing the Action Enhancement Kit for Standard/Slim Frame Glock® pistols. This guide provides essential safety instructions, installation procedures, and general safety guidelines to ensure safe and effective use of the product. Please read and understand this document before using the Action Enhancement Kit.

General Safety Guidelines

- Ensure the product is compatible with the specific Glock® model you own (G43, G43X, G48).
- Always treat firearms as if they are loaded, even when not in use.
- Store the Action Enhancement Kit and any related firearm components in a secure location, away from children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Follow all local laws and regulations regarding firearm modifications.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation of the Action Enhancement Kit may lead to firearm malfunction.
- Failure to follow safety guidelines can result in accidental discharge or injury.

- **Avoiding Hazards:**

- Ensure that the firearm is unloaded before beginning the installation process.
- Use appropriate tools and wear safety glasses during installation.
- Do not modify the Action Enhancement Kit or any other firearm components beyond the manufacturer's specifications.

- **Age Specific Warnings:**

- This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation Steps:**

1. Ensure the firearm is completely unloaded and pointed in a safe direction.
2. Remove the factory trigger, trigger bar, and connector from the firearm.
3. Install the Apex Polymer Action Enhancement Trigger, ensuring it is properly seated.
4. Attach the Apex Trigger Bar and Performance Connector, following the manufacturer's specifications.
5. Check that all components are secure and functioning correctly before reassembling the firearm.
6. Perform a function check to ensure safe operation.

- **Usage Instructions:**

- After installation, familiarize yourself with the new trigger pull characteristics.
- Practice safe handling and operation of the firearm at a controlled range.

- Regularly check the trigger pull and reset characteristics to ensure proper function.

Disposal Instructions

- Dispose of any packaging materials and components in accordance with local waste disposal regulations.
- If the product is damaged or no longer usable, follow your local regulations for the disposal of firearm components.

Contact Information for Further Support

For any inquiries or further assistance regarding the Action Enhancement Kit, please refer to the manufacturer's website or contact their customer service department directly.

By following these safety instructions, you can ensure a safer experience while using the Action Enhancement Kit for your Glock® pistol. Always prioritize safety and responsible firearm handling.
