

# MOE PR CARBINE STOCK - MAGPUL MOE PR COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

The MOE PR is a full-size carbine stock that blends the simplicity of the legacy MOE Carbine stock with design lines reminiscent to the PRS® Lite. These similarities naturally incorporate some of the features found on the PRS Lite, including a rest on the front edge of the stock for the support hand, allowing shooters to apply rearward pressure on the MOE PR to drive the stock securely into the shoulder for precise shot placement. The slim nature of the stock's geometry also reduces weight, and the bottom of the stock's frame also serves as a bag rider. With the M-LOK slot molded into the rear of the stock, shooters can attach a sling using the slot as a footman's loop or by adding an M-LOK® QD Sling Mount to one or both sides of the M-LOK slot. The MOE PR stock can use all CTR® Cheek Risers to provide a personalized, consistent cheek weld, but they Primarily used for non-AR style firearms. Made in the USA Minimalist, lightweight design Support-hand rest on front strap to minimize movement Bottom support acts as a bag rider for shooting rests CTR Cheek Riser compatible M-LOK slot for QD Sling Mount/footman's loop COMPATIBILITY For use with Mil-Spec carbine receiver extensions. Can be used with all CTR Cheek Risers and won't interfere with single-point slings attached to an ASAP or ASAP QD receiver end plate.

## Attributes

- Name: [MAGPUL MOE PR COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 430106948

# MOE PR Carbine Stock Safety Instruction Guide

## Introduction

Thank you for choosing the MOE PR Carbine Stock by MAGPUL. This guide provides essential safety instructions to ensure the safe and effective use of your new product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the MOE PR Carbine Stock is compatible with your firearm before installation.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and stock in a secure location, away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm use and modifications.

## Specific Safety Precautions for Use

- Only use the MOE PR Carbine Stock with MilSpec carbine receiver extensions.
- Ensure that any attachments, such as slings or cheek risers, are securely fastened before use.
- Do not exceed the manufacturer's recommended weight limit for accessories attached to the stock.
- Avoid using the stock in conditions that may compromise its integrity, such as extreme temperatures or exposure to corrosive substances.
- If you experience any malfunctions or issues while using the stock, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a wrench and any additional mounting hardware.

#### 2. Removing the Old Stock

- Loosen the locking mechanism on the existing stock.
- Remove the old stock from the buffer tube by sliding it off.

#### 3. Installing the MOE PR Carbine Stock

- Slide the MOE PR Carbine Stock onto the buffer tube until it reaches the desired position.
- Secure the stock by tightening the locking mechanism according to the manufacturer's specifications.

#### 4. Attaching Accessories

- If using a sling, attach it to the MLOK slot or use it as a footman's loop.
- Install any compatible CTR Cheek Risers to achieve a personalized cheek weld.

#### 5. Final Check

- Ensure all components are tightened and secure before handling the firearm.

- Conduct a function check of the firearm to ensure proper operation.

## **Usage Instructions**

- When shooting, maintain a firm grip on the firearm and ensure the stock is pressed securely into your shoulder.
- Use the support hand rest on the front strap to minimize movement and enhance stability.
- Regularly practice safe firearm handling and shooting techniques to improve proficiency.

## **Disposal Instructions**

- When disposing of the MOE PR Carbine Stock, follow local regulations for disposal of polymer materials.
- Do not dispose of the stock in regular household waste.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the MOE PR Carbine Stock, please contact your local MAGPUL representative or authorized dealer. Ensure you have the product information ready for a more efficient response.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MOE PR Carbine Stock. Thank you for your attention to safety and responsible firearm use.
